Do you love solving math problems and want a great place to compete? Whether you've been doing math for your whole life or have just started getting into it, Math League is for you. Our first informational meeting is happening today after school in Room A129! Meetings happen most weeks after school on Thursdays and for any further questions, feel free to ask Mr. Brandt.

In an exciting start to their season, the Rochester Raiders faced off against Anoka in their first home game, securing a thrilling 2-1 victory. The match showcased strong performances from several players, highlighting their skills and teamwork.

In the first half, where sophomore Cooper Morrissey from Century scored his second goal of the season, with a crucial assist from Tyler, a sophomore from Mayo, marking his first assist of the year. This goal set the tone for the Raiders success.

Senior Alex Gifford from Century made the game winning goal by scoring his first career goal, in the second half.

Raiders return home again on October 23rd

Today is National Custodial Workers Day. We have an amazing team @ Century and are forever grateful for the work of the day and evening crew.
