

Album: 'The ReVe Festival' Finale

Track 01 - Psycho

[\[View the vocabulary post for this song here\]](#)

Yeah, psycho

널 어쩌면 좋을까
이런 맘은 또 첨이라

What should I do about you?
This is the first time I've felt this way

Up and down

이 좀 심해 조절이 자꾸 잘 안돼
하나 확실한 건

This is a bit serious, I can't control myself
One thing's for sure

I don't play the game

우리 진짜 별나대
그냥 내가 너무 좋아해
넌 그걸 너무 잘 알고 날 쥐락펴락해
나도 마찬가지로

People say that we're seriously weird
But it's just that I like you too much
You know it so well and control me
I'm like that, too

우린 참 별나고 이상한 사이야
서로를 부서지게 (부서지게)
그리곤 또 껴안아 (그리곤 또 껴안아)

We're in a very weird and strange relationship
We break each other (break)
And then embrace each other again

You got me feeling like a psycho, psycho

우릴 보고 말해 자꾸 자꾸
다시 안 볼 듯 싸우다가도 붙어 다니니 말야
이해가 안 간대 웃기지도 않대

People see us and keep telling us
We fight like we won't see each other again
and then suddenly get along
They don't get it and say it's not funny

맞아

That's right

Psycho, psycho (psycho, psycho)

서로 좋아 죽는 바보 바보 (바보 바보)
너 없인 어지럽고 슬퍼져 기운도 막 없어요
둘이 잘 만났대

We're fools, loving each other to death
Without you, I feel dizzy and sad, I feel low
People say we suit each other

Hey, now, we'll be okay

Hey, trouble

경고 따윈 없이 오는 너

I'm original visual

우린 원래 이랬어, yeah

두렵지는 않아 (흥미로울 뿐)

You come without a warning

This is how we've always been, yeah

I'm not afraid (it's just interesting)

It's hot! Let me just hop

어떻게 널 다룰까? Oh

How should I handle you?

어쩔 줄을 몰라

너를 달래고 매섭게 발로 차도

가끔 내게 미소 짓는 널

어떻게 놓겠어, oh

I don't know what to do

Even if I calm you down and harshly kick you

Sometimes, you still smile at me

How can I let you go? Oh

우린 아름답고 참 슬픈 사이야

서로를 빛나게 해

We're in a beautiful and very sad relationship

We make each other shine

(Tell me now)

마치 달과 강처럼

그리곤 또 껴안아

Like the moon and the river

And we embrace each other again

You got me feeling like a psycho, psycho

우릴 보고 말해 자꾸 자꾸

다시 안 볼 듯 싸우다가도 붙어 다니니 말야

이해가 안 간대 웃기지도 않대

People see us and keep telling us

We fight like we won't see each other again

and then suddenly get along

They don't get it and say it's not funny

맞아

That's right

Psycho, psycho (psycho, psycho)

서로 좋아 죽는 바보 바보 (바보 바보)

너 없인 어지럽고 슬퍼져 기운도 막 없어요

둘이 잘 만났대

We're fools, loving each other to death

Without you, I feel dizzy and sad, I feel low

People say we suit each other

Hey, now, we'll be okay

Don't look back

그렇게 우리답게 가보자

난 온몸으로 널 느끼고 있어

Like that, let's just be ourselves

I feel you with my entire being

Everything will be okay

(You got me feeling like a psycho, psycho)
Like a psycho, psycho

우릴 보고 말해 자꾸 자꾸
다시 안 볼 듯 싸우다가도 붙어 다니니 말야
이해가 안 간대 웃기지도 않대

맞아

Psycho, psycho (psycho, psycho)

서로 좋아 죽는 바보 바보 (바보 바보)
너 없인 어지럽고 슬퍼져 기운도 막 없어요
둘이 잘 만났대

Hey, now, we'll be okay

Hey, now, we'll be okay (we'll be okay)
Hey, now, we'll be okay (we'll be okay)
Hey, now, we'll be okay (we'll be okay)
Hey, now, we'll be okay

It's alright (hey, it's alright)
Oh, it's alright (oh)

Hey, now, we'll be okay (ey)
Hey, now, we'll be okay (okay, yeah)
Hey, now, we'll be okay (ey)
Hey, now, we'll be okay (okay)

It's alright
Oh, it's alright

우린 좀 이상해

Psycho

People see us and keep telling us
We fight like we won't see each other again
and then suddenly get along
They don't get it and say it's not funny

That's right

We're fools, loving each other to death
Without you, I feel dizzy and sad, I feel low
People say we suit each other

We're a bit strange

Album: 'The ReVe Festival' Day 2

Track 06 - Eyes Locked, Hands Locked (눈 맞추고, 손 맞대고)

[\[View the vocabulary post for this song here\]](#)

눈 맞추고, 손 맞대고
눈 맞추고, 손 맞대고

Eyes locked, hands locked
Eyes locked, hands locked

조금 어색하게 맞이하는 아침이
그래도 나쁘지는 않게 그렇게 보이네

The morning greets me a bit awkwardly
Even so, it doesn't look that bad

Could you begin our strange love?

너만 나를 원한다면
언제든지 달콤하게 아침을 함께해
If you want me
Let's make every morning sweet together

Oh, yeah

우리의 마음 마음 닿을 때
너는 무슨 생각에
빠져 버렸어? Uh, uh
빠져 버렸어? Yeah
우리의 마음 마음 닿을 때
너는 무슨 생각에 (생각에)
빠져 버렸어? Uh, uh
빠져 버렸어? Yeah

When our hearts meet
What are you thinking of?
Have you fallen in love?
Have you fallen in love?
When our hearts meet
What are you thinking of? (thinking)
Have you fallen in love?
Have you fallen in love?

나를 안고 싶다면 내게 말해 줘
나의 문에 들어오려면 내게 웃어 줘
손바닥을 맞대고
심장이 터질 정도로
눈 맞추고, 손 맞대고
눈 맞추고, 손 맞대고

If you want to hug me, tell me
If you want to enter my door, smile at me
Palm to palm
To the point that my heart will explode
Eyes locked, hands locked
Eyes locked, hands locked

Eh, yeah, yeah, yeah, oh

별처럼 빛나는 우리 둘은 어쩌면
몇 번이고 스치고 느끼고 지나쳤나 봐

The two of us, who shine like stars, perhaps...
How many times have we brushed past,
felt, and passed each other by?

Could you begin our strange love?

지겨울 정도로 날 어루만져 줘
만져 줘 만져 줘, yeah

마음 마음 닿을 때
너는 무슨 생각에
빠져 버렸어? Uh, uh
빠져 버렸어? Yeah
우리의 마음 마음 닿을 때
너는 무슨 생각에 (생각에)
빠져 버렸어? Uh, uh
빠져 버렸어? Yeah

나를 안고 싶다면 내게 말해 줘
나의 문에 들어오려면 내게 웃어 줘
손바닥을 맞대고
심장이 터질 정도로
눈 맞추고, 손 맞대고
눈 맞추고, 손 맞대고

어떤 단어들도 우릴 표현 못 하지
내가 아는 우주도 우리를 축복해 (oh)

우리 안의 circle를 만들어
매일매일 그렇게 돌다가 물들어
(너와 내가 너와 내가
너와 내가 너와 내가)

달콤한 눈 코 입술로
우리의 마음 마음 마음 마음
(눈 맞추고, 손 맞대고
눈 맞추고, 손 맞대고)

(Whoa)

나를 안고 싶다면 내게 말해 줘
나의 문에 들어오려면 내게 웃어 줘
(웃어 줘)
손바닥을 맞대고
심장이 터질 정도로
(손바닥을 맞대고
심장이 터질 정도로)

Caress me until you're tired of it
Touch me, touch me

When our hearts meet
What are you thinking of?
Have you fallen in love?
Have you fallen in love?
When our hearts meet
What are you thinking of? (thinking)
Have you fallen in love?
Have you fallen in love?

If you want to hug me, tell me
If you want to enter my door, smile at me
Palm to palm
To the point that my heart will explode
Eyes locked, hands locked
Eyes locked, hands locked

We can't be expressed in any words
Even the universe I know gives us its blessing

Let's make a circle within us
Everyday, it'll rotate like that, then color us
(You and I, you and I
You and I, you and I)

With sweet eyes, noses, lips
Our hearts, hearts, hearts, hearts
(Eyes locked, hands locked
Eyes locked, hands locked)

If you want to hug me, tell me
If you want to enter my door, smile at me
(Smile at me)
Palm to palm
To the point that my heart will explode
(Palm to palm
To the point that my heart will explode)

눈 맞추고, 손 맞대고
눈 맞추고, 손 맞대고

Eyes locked, hands locked
Eyes locked, hands locked

눈 맞추고, 손 맞대고
눈 맞추고, 손 맞대고
눈 맞추고, 손 맞대고
눈 맞추고, 손 맞대고

Eyes locked, hands locked
Eyes locked, hands locked
Eyes locked, hands locked
Eyes locked, hands locked
