"Feliz Cumpleaños,"

(fay-lees coom-play-ahn-yos)

That's how they say it

in Spain

"Fröhlicher Geburtstag,"

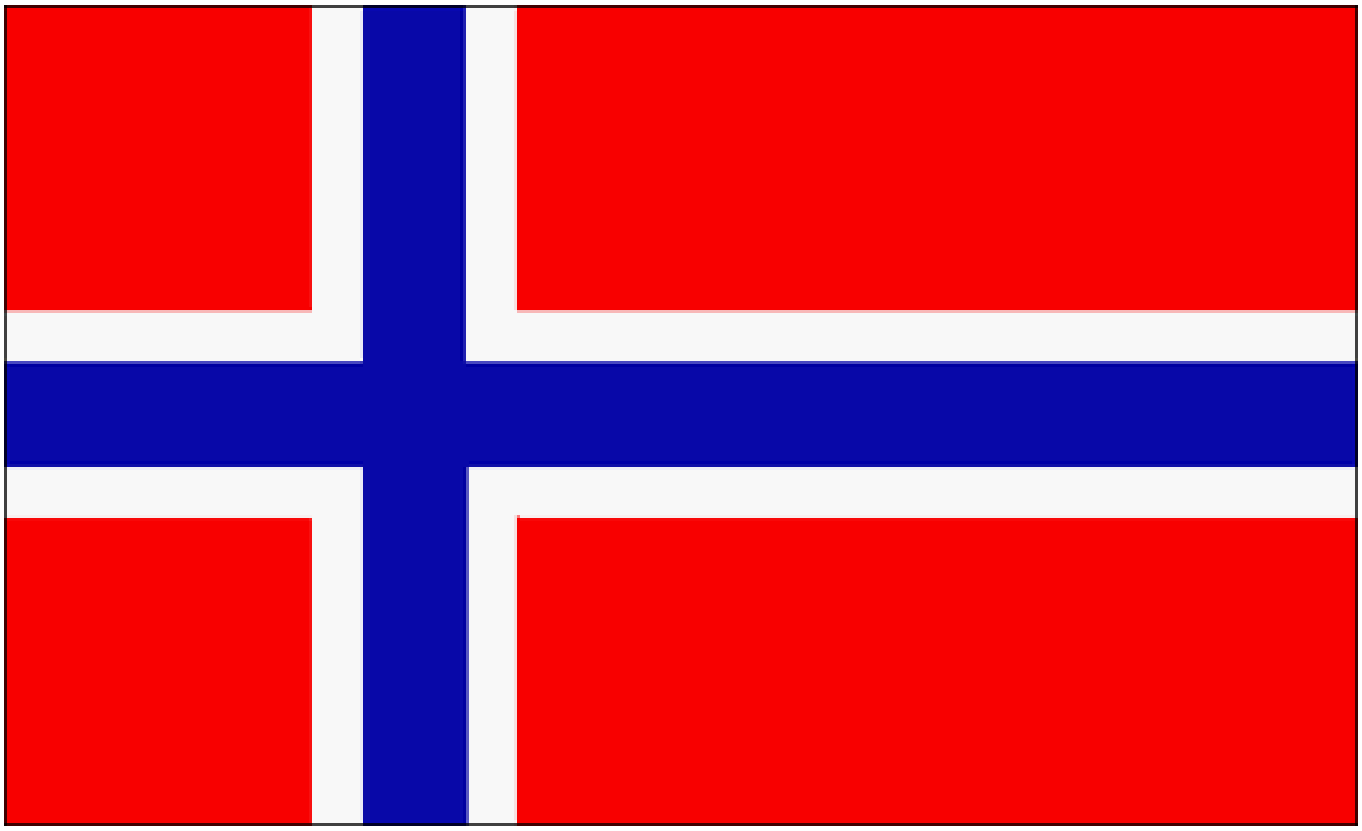

(frer-li-sher guh-burts-tahk)

In German it means the same

"Gratulerer med dagen,"

(grah-too-lay-rare med dog-en)

Norwegians say it too.

But any way you say

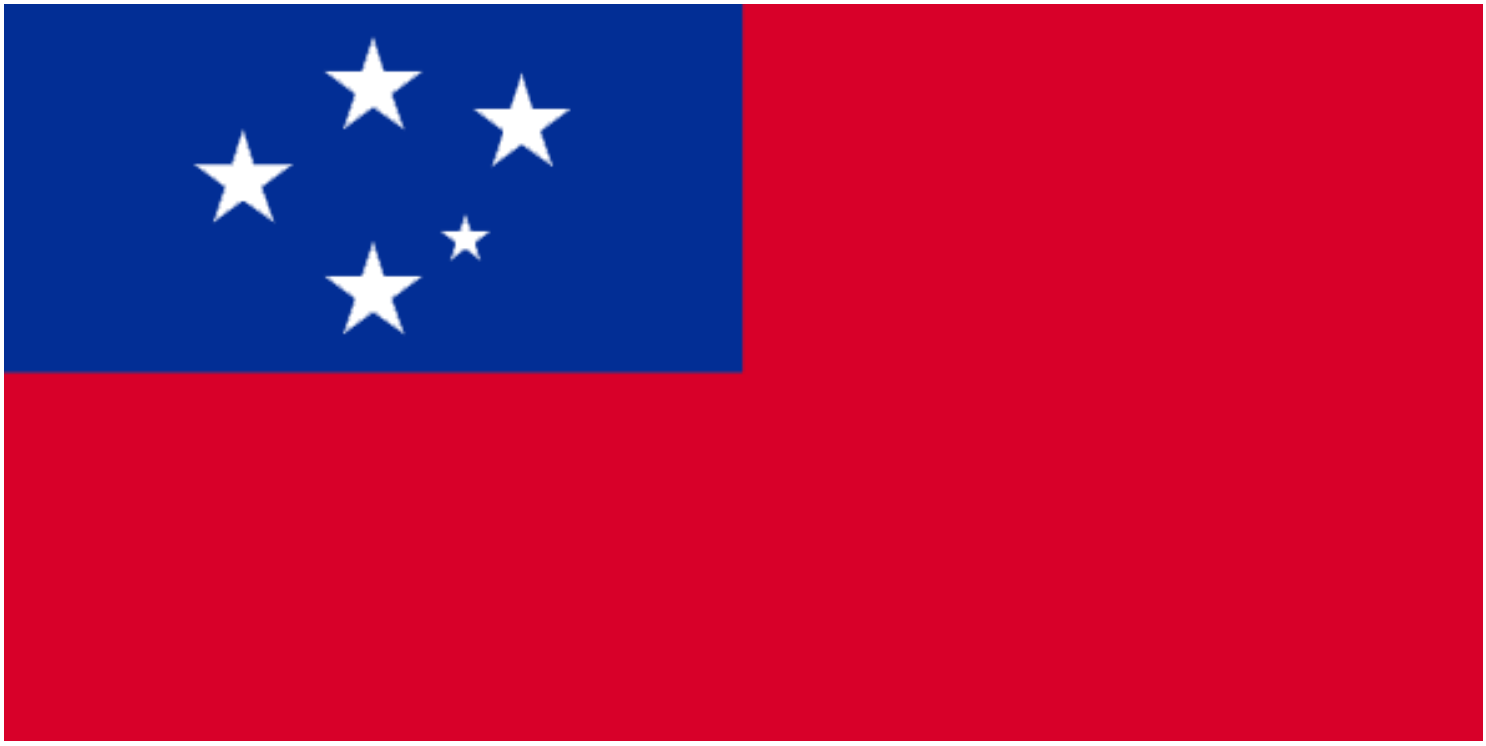

it

It means "Happy

Birthday to you!"

They say in Samoa

"Manuia lou aso fanau."
(mah-noo-ee-yah low ah-so fah-now)
"Tanjobi omedeto,"
(tahn-joe-bee oh-meh-deh-toe)

The Japenese say, and bow "Saengilul ch'ukhahamnida," *(sang-ill-ool*

chewk-ha-hahm-nee-dah)

Koreans say it too.

But any way you say it

It means "Happy Birthday to you!"
