I'm floating through the stars
calling from afar

Home

You're shining in the dark
A million beating hearts ahh home

I can hear you calling my name
keep on calling
All the tears they won't be in vain
keep on calling
I can hear you calling my name
Bursting into life

Home

Unravel all your love
Embrace all that we've got

I can hear you calling my name
keep on calling
All the tears they won't be in vain
keep on calling
I can hear you calling my name
Bursting into life Home
