HOME GAMES
STADIUM EXPECTATIONS

Sauk Prairie High School athletes enjoy positive support from their fellow students, parents and the community. We continue to welcome elementary, intermediate and middle school students to the high school games and we want to create the best possible circumstances for their safety.

In order to maintain a safe environment at our home games, the following practices will be enforced:

1. **Elementary, and intermediate school students need to be accompanied by an adult in order to gain entrance into the stadium.** Adults bringing elementary and intermediate students must sit and supervise the students who they bring to the game. It is important that school personnel managing the event have the ability to contact an adult on site if there is a concern. **Middle school aged students are allowed admission without an adult, however they must stay seated in the determined middle school section**. If they come with an adult, they have the option to sit with the adult.

2. "Carry-ins" by all spectators will not be allowed. Items include bottled or canned beverages, soda fountain cups, footballs, frisbees, etc.
   Backpacks, large purses, and other bags are not allowed and are subject to search.

3. All students are expected to be in the stadium seats cheering for the Eagles.
   For everyone's safety, no football games or similar activities that would encourage running and throwing of objects are allowed.

4. Always exhibit good sportsmanship:
   A. Be quiet and respectful during the National Anthem and School Songs.
   B. Swearing, demeaning or derogatory language toward opposing teams and officials is unacceptable and are grounds for removal.
   C. Cheer for the Eagles!
