

TikTok Creator

Who are we?

[No Revisions](#) is an a la carte marketing agency that works with small and large brands to handle their marketing at an affordable cost with no commitment and transparent pricing and turnaround times. Clients can choose their services, check out, provide us all the information we need for the service, then we execute. There is no back and forth with the client and no revisions. We have made marketing and building a business a simple and affordable process where we won't get started until we have all the information we need and payment made. We are currently looking for an intern to join our team to help us market our business on Tikok and through social media.

The Details:

- US Based, Remote Position
- Monthly Rate: \$1,000
- Initial 3 Month Trial Period with option to increase monthly rate if account is successful
- Video/TikTok Editing Experience Required

Job Description:

You will be the face of the No Revisions TikTok account. We are looking for a creator to work with our team on content ideas to then shoot and develop (with you as the talent/face of the account). You will also be in charge of posting and captions for the videos. You will work with our team monthly to review strategy and analytics. Ideally you will be creating 10-20 videos per month (up for negotiation).

How to Apply:

- Email anna@norevisions.co with your resume and/or portfolio/TikTok link.

- We are ideally looking for someone who has experience being in videos (would like to see that in the portfolio or a link to your TikTok).
- Ideally you understand marketing and can speak to this topic as that will be the main topic of the account.
