

If you have several things to share that you discovered worked well, you can use more than one line...

Name	Item/Resource to share	Do a presentation? If so, how much time?	Links and notes
Ann Williams	SET game	5 min	Identifying patterns
Shane Wood	QN Resources for teaching physics online		https://quarknet.org/content/resources-teaching-physics-online
Susan Wetzler	DIY Cloud Chamber		https://scoollab.web.cern.ch/sites/scoollab.web.cern.ch/files/documents/20200521_JW_DIYManual_CloudChamber_v7.pdf
Ashley Hosek	Citizen Science		https://www.zooniverse.org/projects
	Physics interactives		http://thephysicsaviary.com/
John Stupak	turn your camera phone into a CR detector		cosmicraydetector.com
Kafiye Atay	Interactive videos allow students to explore real events.		pivotinteractives.com
