

Better Days Empowerment (BDE) is a nonprofit organization dedicated to improving the lives of those in need, with a primary focus on providing educational opportunities for underprivileged families in Africa. In 2024, BDE utilized monetary contributions to sponsor the education of eight (8) primary and secondary school children in Uganda. These contributions funded school fees, pocket money, scholastic materials, transportation, and other essential expenses throughout the year.

Below is a breakdown of the total contributions received from February to September 2024:
