Visit must be recorded in the visit protocol at the cabin. Private individuals book and pay in advance for the cabin stay in full. The person ordering must be a member and part of the tour group to use the membership price. Skoddeberghytta is suitable for 6 people, but has 4 extra mattresses.

Self-service booking of our cabins is based on trust. Choose the right price category. If incorrect use of prices is discovered, a fee of NOK 500 and a price correction will be charged. All operation of the cabin is on a voluntary basis by volunteers in Harstad Turlag. Clean and leave the cabin in good condition. Remove rubbish and make the cabin ready for new visitors.

Our cabins are adapted for public use. **Dogs are not allowed** at Skoddeberghytta. Violation entails a washing fee of NOK 2,000.

If you want to move your reservation, this is most easily solved by canceling and booking a new accommodation at the desired time.

- Cancellation up to 5 days before the day of attendance gives the right to a full refund.
- Cancellations made later than 5 days before the day of attendance do not give a right to a refund.

(Example: A stay Friday-Sunday must then be canceled no later than 23:59 on Sunday.)

DNT Harstad og Omegn wishes you a good trip!
