#### **Version 1**

Hi (first name),

Have you ever thought about creating a card deck?

I mean, what a cool way to wow your ideal clients and give them huge value.

Imagine them using your card deck every day for inspiration, motivation, guidance, or a quick tip.

And they love it so much they buy in bulk so they can gift them to their friends, colleagues, and clients.

Card decks are hot right now. They're easy money makers and they're a fun, creative way to share your wisdom and expertise. Plus, they are a lot easier to create than a book.

If the idea of creating a fun tool that makes an impact while making you money, my friend/colleague, Marcy Nelson-Garrison is the go-to person. She's the only one I know who can walk you through the process of creating your very own deck. I trust her to show you the ins and outs of making it a bestseller and a deck your clients will love (and gift to others).

And she JUST opened enrollment for **The Card Deck Master Class** ([your unique link](#))

You are gonna get an A-Z system for creating a deck that sells like hot cakes.

## Version 2

**Subject:** [Doors Open] The Card Deck Master Class (or choose from the list above)

Hi (first name),

I buy a ton of card decks, and I have so many favorites. Each has its own purpose or role in my day. They're kinda like power tools for me.

Some card decks I use to set an intention for the day, others for generating new ideas or focusing my actions on an area for improvement, and others help me listen for guidance and intuition.

Imagine if it were YOUR deck I was using! I know, cool thought right?

You could do this!

You could create a card deck power tool for your clients!

And card decks are hot right now. They're easy money makers and they're a fun, creative way to share your wisdom and expertise.

If you're ready to create a fun tool that makes an impact while making you money, you need to meet Marcy Nelson-Garrison. I totally trust her to show you the ins and outs of creating a bestselling card deck your clients will love (and gift to others).

She has an awesome program and enrollment JUST opened.
