BASED ON THE CHARACTERS BY MARVEL

A DESTINY PRODUCTIONS EVENT..

DREADED PRESENTS..

. . .

XANDAR

It's been months since the Nova Corps took back their homeland.. You'd expect that everything would be rainbows and butterflies but I hate to break it to you, readers but it's not rainbows and butterflies, nor is it sunshine and lollipops.. It's Negative Zone knights and Thane.

. . .

NOVA CORP HQ

Within the debris of a the old Nova Corp HQ, we find Nova Prime carrying a gun, rushing behind cover from Thane as he walks around the room, looking for Nova Prime. As Nova Prime makes her way behind the cover, Thane hears the rustles of debris..

Thane smirks and slowly walks over to the cover where Nova Prime hides behind. Nova Prime's breathing starts to get heavier and heavier.. She then springs up from behind the cover and aims her gun at Thane's head.

THANE
"You can put the gun down. It won't do any damage."

NOVA PRIME
"You sure?"

Nova Prime clicks a button and fires past Thane. A giant chunk of the ceiling breaks and crashes onto the ground. Thane sighs and uses his telekinesis to throw the gun out of Nova Prime's hand. He then uses his power to slam Nova Prime against the wall. Nova Prime moans in pain as Thane tightens the force.

THANE
"You're confident, I must say. But bravery.. You think I hadn't noticed your hand shaking when you held that pathetic excuse of a weapon?"

NOVA PRIME
"Leave! Now!"

THANE
"Or what? You'll have that child playing dress up come and stop me? I've met him before. He's quite the fighter. Yet, his.. Arrogance gets the best of him."

NOVA PRIME
"What..? What did you do?!"

Thane stares into Nova Prime's eyes..

THANE
"He's-"

NOVA PRIME
"VISION!!"

Crashing could be heard in the distance. Thane turns his head to the left and then.. SKA-DOOSH! Vision crashes through the wall and slams Thane into the ground! Vision sends a punch into Thane.

VISION
"LEAVE US ALONE!"

Thane doesn't care of what Vision is saying.. All he's caring for is that shiny yellow stone in his forehead.. *THE MIND STONE!*

Thane pushes Vision off of him and tosses him in the air. Thane rolls backwards and before Vision can hit the floor, Thane slams his foot into Vision and sends him crashing into the outside. Thane hovers up and floats outside.

. . .

OUTSIDE

Thane lands outside as Vision slowly stands up. The Mind Stone begins to glow brighter and brighter and then.. BZZZEOWWW!! A yellow beam fires out of the stone and towards Thane. Thane holds up the infinity gauntlet and blows the beam!

The beam cools down and this gives Thane a chance to fight back. Thane flies towards Vision and uppercuts Vision into the sky. Thane flies after him and punches him again, sending him further into the atmosphere! Thane wraps his arms around Vision's waist and dives back down into the downtown area of the city.

A Xandarian wastelander looks at Vision and Thane coming crashing down into the ground and as soon as they slam down, a massive shockwave erupts and the wastelander gets blown back!

We return to Vision and Thane. Vision punches Thane in the chest and then in the face. Thane stumbles back and scoffs. Vision goes to punch Thane once more but Thane grabs Vision's arm and RIPS IT OFF! He then sweeps Vision's legs, causing him to fall onto the ground. Thane gets ontop of Vision and grabs onto the Mind Stone.

THANE

"I have to admit, though you didn't give me much of a challenge.. You *did* give me the idea of having you by my side. So, I'll give you a choice.. I'll let you live but you'll stand by my side in my conquest. Or.. I'll make your death quick and painless."

Vision notices something about Thane.. Something that he must know..

Vision lays his remaining arm on Thane's head. Thane's head jolts back and Vision's eyes glow white!

. . .

???

Lights. Blurry lights. Laughter. A child's laughter. The blur begins to focus.. And we turn around to find a younger Thane playing with toys with his mother.

. . .

DOWNTOWN, XANDAR

Thane swats Vision's hand away and quickly stands up.

THANE

"What did you.. WHAT DID YOU DO TO ME?!"

Vision's eyes return to normal.. He looks at Thane and he feels.. Sorry for him?

VISION

"You are broken.."

THANE
“I am all but broken.”

VISION
“I can help you.. But I can’t allow you to hurt anymore of my people.”

THANE
“*Your people*? Please, you’re a weapon. No one cares for you.”

VISION
“I can *help*, Thane..”

Thane gives this some thought..

THANE
“What is your benefit?”

VISION
“Xandar’s chance at a new beginning.”

Thane looks at Vision.. And nods. He *scoffs*.

THANE
“Come along. We have my destiny to fulfill.”

. . .

NOVA CORP HQ

Nova Prime holds her chest as she watches Thane and Vision walk with each other. Nova Prime holds her hand up to her comms..

NOVA PRIME
“Sam.. Do you read me? Thane.. He’s here. Sam! *Thane* is here!”

. . .

CAREFREE, ARIZONA

Within a bush, Sam's helmet was seen laying on the ground.

NOVA PRIME (COMMS)
"Sam! Do you read me?"

It eventually cuts out..

Meanwhile, at the front doorstep of Carrie's house, we find Sam staring in shock at the fact that Carrie is CHEATING on him with HIS HIGH SCHOOL BULLY, KARL!!

CARRIE
"Sam..? You're back?!"

SAM
"Uh huh.."

Carrie looks back at Karl and back at Sam.. She's scared..

CARRIE
"I can explain."

SAM
"No."

CARRIE
"Sam, please!"

Sam slowly turns around and begins to walk away. Carrie walks in front of him and stops him.

CARRIE
"You were gone, Sam!"

Sam looks at Carrie with some INTENSE confusion about that bullshit excuse.

SAM
"I was *gone* for 2 weeks.."

CARRIE
"No.. You were gone for 8 months.."

This hits Sam like a truck and he backs up in fear..

SAM
"No.. No, this can't be right.."

CARRIE
"We thought you died.."

Sam turns back around and jogs back to the bush where his helmet layed. Carrie quickly runs out and grabs Sam by the shoulder, turning him around.

CARRIE
"Sam! I.. I love you."

Sam looks at Carrie, still with disbelief and anger..

SAM
"Then you should've waited."

Sam turns to the bush and grabs his helmet, now putting it on, allowing his suit to appear onto his body. Sam then pushes off the ground and flies away!

. . .

SAM'S HOUSE

Sam runs up to his front door and begins to frantically knock on it. The door opens and we find out that.. Someone else moved in..

JEPH
“Hello?”

SAM
“Oh, I uh.. Does Eva Alexander still live here?”

JEPH
“Who does this concern?”

SAM
“Me. Sam Alexander.. Her son.”

Jeph’s eyes widen!

JEPH
“Oh, kid.. I’m sorry..”

Sam’s heart drops even more..

JEPH
“Your mom died.. 3 months ago..”

SAM
“W..What?”

JEPH
“Yeah.. It was a car accident. Bad one too. I’m sorry for your loss..”

Sam begins to hyperventilate.. He backs up and runs away.

. . .

On the side of a house, Sam was seen crying as he sits against the house. He looks to his left and finds his helmet. He quickly gets up and rushes over to it, now picking it up and slamming it onto the ground!

SAM
“I HATE YOU! THIS IS YOUR FAULT! I lost everything because of you..”

Sam stops yelling and just stares at his helmet.. He then shakingly inhales as he closes his eyes.. And exhales, now opening his eyes. He steps up to his helmet and picks it up, now putting it on.

SAM
“Hey, uh.. Helmet?”

HELMET A.I
“Yes?”

SAM
“Find Ava Ayala.. I need to see her.”

HELMET A.I
“Wait, really? HAHA!! YES! I have a use!”

Nova’s costume begins to appear onto Sam’s body. Nova pushes off of the ground and flies away.

. . .

NEW YORK
FOREST HILLS
GROCERY STORE

Ava Ayala was seen looking at a shelf of mac and cheese.

AVA
“Come on.. Do they not sell the Spongebob ones anymore?”

She then spots the Spongebob mac and cheese and goes to grab it.. But it gets snatched! Ava quickly turns and finds.. SAM!

SAM
“God, you’re a child. Spongebob?”

Ava drops her basket and looks at Sam in shock..

SAM
“Hey-”

Ava quickly hugs onto him!

AVA
“Sam.. You’re back..”
. . .
KRISPY KREME
OUTSIDE

Sam and Ava were seen sitting across from each other as Sam DEVOURS a chocolate donut.

AVA
“Sam.. What happened? I mean, we saw you die!”

Sam stops eating.. He places the donut down and sighs..

SAM
“That fight I had with Annihilus.. He had a weapon called the Cosmic Control Rod.. He tried to use it against but I destroyed it and as a result of that, I sort just - *Warped* into a world where *other worlds* are thrown into.. It’s sort of a dumpster to throw different realities in..”

Ava finds this hard to believe but after everything her and Sam have gone through.. After everything the entire *world* has gone through.. She has no choice but to believe him.

SAM

“That didn’t make any sense, I’m sorry.. *I’m* sorry, Ava.. I’m sorry for leaving you,, the Guardians, *Earth*.. I just wanted to finish the fight..”

Ava grabs Sam’s hands and looks at him. Sam looks up at Ava.

AVA
“All of this wasn’t your fault Sam.”

SAM
“Of course, it’s my fault. If I hadn’t found this stupid helmet, I wouldn’t have disappeared, I wouldn’t have broken the promise of staying with Carrie.. I.. I don’t what to do.”

Ava nods softly.. Sam pulls his hands away from Ava and looks around the place.

SAM
“So, New York, huh?”

Ava pulls her hands away and sighs, looking around with Sam.

AVA
“Yeah.. Yeah, I moved in about a week after you disappeared so.. 5 months.”

Sam down at the ground and sighs..

AVA
“Yeah.. Long time.”

Sam looks back up at Ava.

SAM
“How much did I miss?”

Ava inhales and exhales before giving Sam the run down.

AVA
“Well, there was a big droid invasion, but Ms. Marvel, Black Widow, Hawkeye, Captain America and Iron Man stopped it.”

SAM
“Iron Man? As in Tony Stark? I thought he was in prison.”

AVA
“He was let out to help stop the invasion since the droids were his tech. Tony was on trial but he lost so now he’s got a death sentence which is in about.. I don’t even know.”

SAM
“Damn, I really missed a lot!”

AVA
“Oh! We also have a wizard now.”

Sam blinks his eyes a few times at this information.

SAM
“Wizards are cool!”

The silence afterwards was.. Decently loud..

AVA
“Sam, I really missed you.. I’m really happy you’re back.”

Sam nods and smiles.. *He’s glad he’s back, too..*

SAM
“My mom.. She died 3 months back.. Coming back home to learn about that.. I never felt that type of pain before.. And now I don’t even have a house so... My life is.. Fucked.””

AVA
“If you want, you can stay with me.”

SAM
“It’s fine. I’ll figure something out. I always do.”

AVA
“Okay, well, if you change your mind.. Call or text, okay?”

Sam nods, now getting up. Ava gets up soon after and the two hug.

AVA
“Don’t break any more cosmic things, okay?”

Sam scoffs at this.

SAM
“I won’t.”

They both stop hugging each other and take a good look at each other. Sam nods and walks away. Ava watches Sam walks away and she smiles, happy to know that her best friend is back.. For good.

. . .

STEVE ROGERS’S APARTMENT

Steve Rogers was seen trying to order something on a shady website. When he clicks “pay now”, his computer shuts down, revealing a blank screen.

STEVE
“Wha.. Come on!”

Steve sits back in his chair and just looks at his screen, sighing.. As he looks at the screen, he notices a figure standing behind him.. Steve quickly gets up and turns around to find.. **THANE!!**

THANE
“You have something I want.”

Steve gives him a stern but inviting look. He doesn’t know what this guy wants but he looks alien, and he doesn’t want any otherworldly enemies.

STEVE
“Unless it’s my rugged looks, then I don’t know what you’re here for.”

Steve leans on his chair, easing his posture. His shield is just under his desk. He can’t make any signals to alert this mysterious enemy.

THANE
“I’m not playing any games. Where are the stones?”

STEVE
“I have some gravel leading up to the steps if that’s what you-”

Thane extends his right arm out and lifts Steve up from his seat using his telekinetic abilities.

THANE
“I could kill you right now, you know? But, your knowledge is important to me. If you don’t give the locations of the reality and space stone in 5 seconds, your blood will litter this entire room.”

Thane clenches his fists, tightening the grip on Steve.

THANE
“Five.”

Steve tries his hardest to breathe.

THANE

“Four. Three. Two.”

STEVE
“ONE!”

Steve quickly aims his watch at Thane and fires a *widow’s bite* into Thane’s neck, causing him to loosen his grip on Steve.

STEVE
“Thank *you*, Natasha.”

Our star spangled hero quickly turns around to beneath his desk and grabs his shield. He quickly turns around, just in time to block a blast by Thane. Steve quickly rolls to the right and lunges toward Thane, sending a violent slug into Thane’s jaw! Shortly after, Thane sends a concussive blast into Steve’s chest, causing him to crash through the wall and into the living room.

Steve lays on his couch, moaning in pain as he held his chest. Thane floats through the hole and gets ready to fire a blast at Steve. Steve quickly notices this and holds his shield up. Soon after, a blast fired into the shield, causing Steve to roll over the couch and flop on his chest. Steve slowly stands up and faces Thane.

STEVE
“Who are you?”

THANE
“My name is Thane. And I come with conquest. For too long, the Negative Zone has been an empty void of despair and delinquents. I felt no true rule there.. These stones are part of my great conquest. With them all obtained, I will use their full power to open a portal the size of a *sun* and bring the Negative Zone to Earth.. *Forever*. So, tell me: Where is the reality and space stone?”

STEVE
“I don’t care who you are.. But, I *do* care on behalf of the world - Kiss my ass!”

Thane fires a blast at Steve. Steve tries to block the blast with his shield but all it does is make him crash through the brick all and into the streets and onto a parked car.

Vision walks over to Steve from across the street and places his hand onto Steve’s forehead, unlocking his mind.. Vision’s eyes roll back for just a few moments. When Thane arrives, Vision’s sight goes back to normal.

THANE
“What did you find?”

Vision, in disbelief, looks up at Thane.

VISION
“The stones are.. They’re in another universe.”

STEVE (Weakly)
“I tried to warn you, pal..”

Thane looks at Steve and scoffs softly. He turns the Vision and nods.

VISION
“What do we do now?”

THANE
“I’ll tell you on the way. Come on.”

Thane floats up into the air and flies away. Vision follows loosely behind..

Steve grunts in pain as he rolls off of the car. He then taps into his comms..

STEVE

“Steve Rogers to command.”

. . .

JERSEY CITY, NEW JERSEY
THE NEXT DAY

KKKKSSSSSSHHHHH!!! A skateboarder grinds on a rail. He then kick flips off of the rail and rolls past Kamala, Bruno and Nakia who are seen eating some burritos.

KAMALA
“I just don’t understand - Why date the girl that is *supposedly* the love of your life if you’re talking to another person. You’re supposed to *commit* to the relationship.”

BRUNO
“People suck. Anyway-”

Kamala’s phone begins to ring.

KAMALA
“Oh, hold on.”

Kamala takes out her phone and notices it’s an unknown caller. She raises an eyebrow and answers it.

KAMALA
“Hello?”

CALLER
“Glad someone picked up.”

It’s Nick Fury.

NICK FURY (Phone)

“There’s a black sedan waiting for you across the street. We got an emergency and we need your help.”

KAMALA
“Oh.. Mr. Fury, I’m sorry, but.. I can’t be part of the Avengers.”

NICK FURY (Phone)
“Yeah? And why’s that.”

KAMALA
“I got.. Homework.”

NICK FURY (Phone)
“Yeah, it looks really important. Just get in the car.”

KAMALA
“No thank you!”

Kamala hangs up the phone. Shortly after, the sedan drives away.

Bruno and Nakia look at Kamala with deep confusion.

NAKIA
“Did you just turn down the Avengers?”

KAMALA
“..Yeah?”

BRUNO
“Why? What if the end of the world happens?”

KAMALA
“Then I’d rather spend it with you guys. Look, I don’t wanna be part of the Avengers right now, okay? I just.. I don’t think I’m ready for the *big stuff*, y’know? I’m more of a.. *Friendly neighborhood Ms. Marvel*.”

NAKIA
“True, you do have a Twitter account.”

KAMALA
“I like interacting with my fans!”

BRUNO
“Well, if that’s your decision.. Then we’re here for it.”

KAMALA
“I love you guys.”

The three besties all hug each other. *Their friendship remains undefeated*.

. . .

KAMALA’S HOUSE

Kamala enters her house and finds Abu sleeping on the couch. Kamala smiles at this and walks over to a chair with a blanket lying on the head. She takes the blanket and advances back to Abu, now applying the blanket on Abu.

She walks over to the fridge and opens it to find a soda bottle for her with a sticky note attached.

I know how much you love these sodas so I got you one. I love you, Beta.

P.S: Do your homework!

Kamala smiles at this and takes the soda.

. . .

As Kamala enters her room, she walks over to her laptop and opens it to find several DMs from *Eye_Spyder*.

EYE_SPYDER (DMs)
“KAMALA LOOK!”

Kamala then finds a photo of Steve lying on the parked car with Thane and Vision next to him.

KAMALA
“Wha..? I leave the Avengers *once* and everything goes to crap.”

EYE_SPYDER (DMs)
“PLEASE TELL ME YOU’RE GONNA JOIN THE AVENGERS AGAIN!”

Kamala texts back.

KAMALA_KHAN_DO_IT (DMs)
“Idk tbh.. I’m not really made for the big stuff.”

EYE_SPYDER (DMs)
“You being fr? This is 100% a new threat to the world, why you sitting this one out?”

KAMALA_KHAN_DO_IT (DMs)
“Because, like I said, I’m not-”

Kamala receives a call from her group chat: *Avengers (B-Team)*.

She answers the call and we find the faces of Nakia and Bruno.

NAKIA
“Have you seen twitter yet? It’s insane!”

KAMALA
“Yes, I have.. Kinda? Wait, are you talking about the purple dude and Steve?”

BRUNO

“Yes! Kamala, I know we said that we support your decision to step down from the big leagues.. But whoever this guy is, you at least gotta try.”

KAMALA
“Ugh-”

NAKIA
“Kamala. Come on. You can’t sit out the end of the world.”

Kamala presses her tongue against the inside of her cheek, now letting out an exhale.

KAMALA
“Okay.. Okay, fine.”

BRUNO
“Yes!”

NAKIA
“That’s my girl!”

KAMALA
“Alright, I..”

Kamala looks out her window and finds the black sedan waiting for her outside.

KAMALA
“Wow, they’re really fast. Okay, I gotta go. I love you guys!”

Kamala hangs up the call and closes her laptop. She then stands up from her seat and runs over to her closet. She opens the closet and there hangs.. *THE MS. MARVEL COSTUME!!* She takes the costume and runs out of her room.

. . .

As Kamala runs down the steps, she is suddenly stopped by Yusuf.

YUSUF
“Where are you going?”

KAMALA
“Uuhhh.. I’m going to save the world again?”

Yusuf gives a long stare before he speaks up.

YUSUF
“I better see my daughter for dinner tonight.”

Kamala smiles and hugs her father! They both stop hugging. Kamala rushes past Yusuf and leaves the house.

Yusuf lets out a sigh..

YUSUF
“Raising a superhero is very hard work.”

. . .

THE BLACK SEDAN

Kamala enters the black sedan and greets the driver and passenger.. Who are revealed to be Natasha Romanoff and Clint Barton!

NATASHA
“Hey, kiddo. How was being a friendly neighborhood hero?”

KAMALA
“Ah, Spider-Man did it better.”

. . .

AIRPORT

The black sedan rolls up to the quinjet where we find Steve Rogers and.. *Iron Man?* Iron Man wore a black and grey metal suit with a massive machine gun on his back. Everyone steps out of the sedan and immediately catches Iron Man.

KAMALA
"Tony? Don't you have a death penalty?"

Iron Man's helmet retracts, revealing James Rhodes!

RHODES
"Not Tony. I'm stepping in his shoes for bit. I'm Rhodes."

KAMALA
"Kamala."

Kamala walks over to the quinjet and enters it, now shaking his hand.

. . .

PACIFIC OCEAN

The quinjet flies over the pacific ocean. Ms. Marvel gets up from her seat and walks over to the cockpit where she notices the everlasting miles of sea.

MS. MARVEL
"I thought we were headed to Avengers Mountain?"

Natasha flies the quinjet.

NATASHA
"After Ultron destroyed Avengers Mountain, we had to relocate to a more secure spot, courtesy of Hank Pym and his technology."

As Natasha halts the quinjet, the plane begins to hover down toward the sea.. Suddenly, they pass an invisible barrier, now entering..

. . .

AVENGERS ISLAND

KAMALA
"Woaaaahhhh.."

Rhodes steps up to the cockpit and smiles at the place, nodding.

RHODES
"Yeah, this is tight."

. . .

MEETING ROOM

The Avengers (Ant-Man (Hank Pym), Hawkeye, War Machine (Rhodes), Ms. Marvel, Captain America, and Black Widow) all talk to one another about the encounter Steve had with Thane and Vision.

RHODES
"This *Thane* guy, he said he wants to take over the world? You guys dealt with that before, right?"

KAMALA
"With a bratty droid, not an intergalactic alien."

STEVE
"Besides, he wants to do things differently. He's looking for these things called the reality and space stone. I've had my fair share of encounters with them before."

RHODES
"Do you know where they are?"

STEVE
"Last I remember, before I made my way back to Earth, I dropped the stones at the bottom of a lake."

KAMALA
“Why?”

STEVE
“It’s a long story.”

KAMALA
“I mean, I’m all for it.”

NATASHA
“We don’t need grandpa Steve to talk about his life back in the day right now. Are there any more stones?”

STEVE
“During my fight with Thane, I saw he had a purple stone.”

???
“The Power Stone.”

Everyone turns to a corner of the room to find a sling ring portal! A silhouette of a man stood on the other side.. He steps out of the portal, revealing *WONG!!*

HAWKEYE
“Who are you?”

WONG
“My name is Wong. I’m the sorcerer supreme of the mystic arts.”

KAMALA
“Oh, you’re the wizard!”

WONG
“*A* wizard. The wizard you’re referring to is currently M.I.A.”

STEVE
"You said the name of the purple stone. Is there any more?"

Wong waves his hands in the air and a projection of the 6 infinity stones appears. The Avengers all look in awe of the magic.

WONG
"Before the dawn of the universe, the 6 elemental crystals you see here were once joined together as one singular stone called the *Omnistone*, a source of limitless power."

Wong waves his hand, combining the projected stones together to create the Omnistone.

But, one of the stones catches Steve's eyes.

STEVE
"Hey, wait, go back."

Wong reverts the projection to the 6 infinity stones. Steve points at the mind stone as if he's seen it before.

STEVE
"Someone else was there when Thane attacked me and he had that *exact* stone in his head."

WONG
"The Mind Stone - Capable of manipulating minds, mental communication, fire energy projectiles and astral projection."

KAMALA
"*Manipulating minds*? You sure the stone isn't just some toxic boyfriend?"

WONG
"It works like that, yes."

RHODES
"Wong, you said that the stones were once merged together. How did they break?"

WONG
"Ah, yes."

Wong turns the projection into an image of a purple woman in a futuristic dress.

WONG
"This is Kismet, the *very* first being in the universe.. And, the creator of the Omnistone. On the night of the Big Bang, she mysteriously died, causing the Omnistone to break into the six infinity stones and be sent all across the cosmos."

CLINT
"Sounds like the universe's most unfair Easter egg hunt. What I'm confused is.. How are we gonna get the stones before Thane does?"

WONG
"The Time Stone will remain at Kamar-Taj where I will protect it. If anything happens, I'll let you know. Good luck, all of you."

Wong opens a sling ring portal and walks into it, closing the portal behind him, leaving behind a silent.. *Confused* team of heroes.

. . .

UNDER A BRIDGE

Thane and Vision sit under a bridge next to a fire with several homeless people watching them in horror. Thane takes notice of this and stares at one of them.

THANE

“What?”

The homeless man backs in fear, whispering to himself.

HOMELESS MAN
“This shit is strong as fuck.”

Thane sighs and turns to the open flame.

VISION
“Thane.. Back on Xandar.. What I saw.. What was that?”

THANE
“It’s none of your concerns.”

VISION
“You seemed happy. Careless. What caused you to be so.. *Aware*?”

THANE
“I’m not giving into your trap, Vision. I know better than that.”

VISION
“Of course.. Then, what do we do about the stones? You said you would tell me but, you have been quiet the entire way here.”

THANE
“..When Steve Rogers told me the stones were in another universe, I had never felt so..”

VISION
“Defeated?”

THANE
“Lost. I have never felt so lost.. But, alas, an idea lit up. The only way to access other universes is through the Negative Zone but, we could not leave

without murdering ourselves by flying through the worm hole. Which is why I've had an epiphany: During my final days within the Negative Zone, I fought against 2 men, Sam Alexander and Wendell Vaughn. Wendell Vaughn had the Quantum Bands which are our ticket out of the Negative Zone whilst Sam has the Nova helmet which is how we locate the Quantum Bands."

Vision nods as he agrees to help Thane.

THANE
"Use the stone to locate Sam and report back to me. I'm going to find something to eat."

Thane gets up from his seat and goes to leave but is stopped by a homeless man offering him a moldy sandwich.

THANE
"Disgusting."

. . .

QUEENS, NEW YORK
EMPTY APARTMENT

A real estate agent gives Sam Alexander a tour around the apartment.

REAL ESTATE AGENT
"And right over here, you'll find the living room where you'll probably be spending most of your time sulking after watching Bridge to Terebithia for the first time."

SAM
"Sounds awesome. Thanks. Hey, uh.. Could you give me a minute? I wanna call someone real quick."

REAL ESTATE AGENT
"Sure, man. Lemme know what you think after."

The agent leaves the living room, allowing Sam to take in all this emptiness.. Not of the room, but of his life. He's lost so much and he wasn't there for it. As Sam looks around the room, tears begin to fall down his eyes.. He wipes them away and lays his hands on his hips.. He then stops.. He feels as if he's being watched.. He turns around and finds.. ***RICHARD RIDER!!***

RICHARD
"Oh, if I interrupted something, you could continue, I'll go wait outside."

SAM
"Richard..!?"

A smile fades in on Sam's face as he rushes over to Richard, giving him a big hug!

RICHARD
"Hey, kid."

They stop hugging. Sam takes a step back.

RICHARD
"So, uh.. This is a pretty big leap, huh?"

SAM
"This would have happened a few months ago but.. I wasn't exactly here."

RICHARD
"Yeah.. I'm glad your back. You visit your girlfriend yet?"

SAM
"Yeah.. About that.."

RICHARD
"Oh, god. How bad?"

SAM
“She moved on.. She said she thought I was dead and it’s been 8 months so I.. I kinda hear her on that.”

Richard smacks his lips and nods.

RICHARD
“Damn, I’m sorry about that. I’m sorry about all of this. You never deserved this.”

SAM
“It’s not your fault. It’s mine. I should have killed Annihilus when I first met him but.. I don’t know what held me back.”

RICHARD
“Humanity. Your humanity held you back and that’s not a bad thing, not at all. It just shows how much you care. And this..”

Richard reaches into his pocket and takes out a folded piece of paper. He unfolds the paper and hands it to Sam. Sam looks at the paper and it’s revealed that Richard bought the apartment!

Sam looks up at Richard with utter shock.

SAM
“..You didn’t?”

RICHARD
“This is how much I care. You know, if it weren’t for you, I wouldn’t have been this awesome space.. Knight.. Guy. And, keeping it real: Nothing was happening well on my part either.”

SAM
“Don’t you have a kid? A wife? A dog?”

RICHARD
"Kid hates my guts, wife divorced me for some giga-douche and my dog is a-ok."

SAM
"Holy shit, I'm sorry. Richard, you know you don't have to do this, right? On your part, it sounds like your life is on it's death bed."

RICHARD
"I was homeless before this."

SAM
"What?"

RICHARD
"Yep. So, which room has the bathroom in it because I call dibs."

Sam smiles at Richard and lets out a laugh.. As Sam continues his laugh, he finds a silhouette staring at him with purple eyes.. Sam's expression quickly changes to a horrified look and he quickly pushes Richard out of the way.

The silhouette walks out of the light of the window and reveals himself to be.. *Thane*.

Thane uses his telekinesis to throw Sam out of the window and onto the roof of a car.

. . .

Sam rolls off the car and yells in pain.. He looks at his leg and finds it bent inwards! He looks over at a bush and finds his helmet waiting for him. Sam painfully crawls over to the bush and grabs his helmet, quickly putting it on. He looks at his leg as it snaps back in place. With the snap, Sam screams in pain! Suddenly, he was pulled by Thane's force and thrown into a building!

Nova crashes onto the ground and groans. Thane charges up his energy, getting ready to fire on Nova. Nova sees this and quickly flies out of the way as the blast destroys a small portion of the building. Nova rolls sideways before stopping himself in a superhero pose.

NOVA
"..Thane..?"

THANE
"Being in your presence again makes me wish I would have killed you before you set out to find the helmet."

NOVA
"How.. HOW!?"

THANE
"Nevermind how. GIVE ME THE HELMET!"

???
"Now, now - What happened to manners?"

Thane turns around and finds Richard with HIS Nova helmet on!

THANE
"Another one..?"

Richard fires a blast towards Thane but Thane uses his invisible force to redirect the blast back into Richard, causing him to crash into the ground, creating a small crater.

NOVA
"NO!"

Thane turns around and gets greeted by a heavy punch sent by Nova. Thane crashes into the side of a building and falls onto the ground. Nova flies over

to him and picks him up, sending several violent hits into jaw. Before he could hit him again, Thane grabs his fist and turns him back into a wall. Thane grabs Nova by the back of his neck and his shin and slams him onto the ground.

Thane gets ready to send a stomp onto Nova but, Nova quickly rolls out of the way and sends a blast into his lower jaw, uppercutting him into the sky! Nova quickly gets up and flies after him.. But, his hit gets stolen by Richard who flies into Thane, crashing him into an empty dam.

Richard sends several hits into Thane. Thane goes to punch Richard but Richard quickly grabs his arm and redirects his fist back into him, forcing Thane to hit himself a few times.

RICHARD
"Stop hitting yourself, stop hitting yourself-"

Thane kicks Richard off of him and uses his telekinesis to throws Richard into a pillar. Thane holds Richard onto the pillar, tightening his grip.

THANE
"You.. STOP BEING SO ANNOYING! I don't know who you think you are.. But you've never faced anyone like me.. BECAUSE THERE IS NO ONE LIKE ME!"

???
"There is always someone like you, Thane. Let him go!"

Thane turns his head and finds Nova aiming his powered up fists at him.

THANE
"I just want the helmet. Comply and he'll live. If you don't.. Then at least you won't be late to a funeral."

Nova furrows his eyebrows harder.. *His anger is really rising*..

RICHARD
“Take.. Take mine! Our helmets are from the same corp.. Take mine, not his!”

NOVA
“Richard, what are you doing?”

RICHARD
“It’s alright, Sam.. It’s alright.”

Thane lets go of Richard, causing him to fall on his knees.. *In pain..* Richard takes off his helmet, causing him to flop on the ground and his helmet to drop in front of him. But, he notices something.. *His helmet is cracked..* Richard softly scoffs at this.

Thane takes the helmet off of the ground and applies to his head.. *Nova armor begins to conjure over his body..*

THANE
“Find Wendell Vaughn.”

The HUD inside his helmet gives him coordinates to Quasar, allowing him to fly off into the stars. Nova quickly runs over to Richard and looks at his injuries.. A broken arm and a bloodied face.

NOVA
“Richard, it’s gonna be okay. I’m gonna get you to a hospital, okay?”

RICHARD
“Please do. This hurts like a bitch.”

Nova goes to pick up Richard but out of no where.. *The Quinjet* lands behind him! Nova quickly turns around and aims a charged up fist at the jet. The doors open and out walks.. **CAPTAIN AMERICA!**

CAPTAIN AMERICA

“You two must be the Novas. I’m Steve Rogers and I’m with the Avengers. Come with us, we have something we need to talk about.”

. . .

AVENGERS ISLAND

As the Quinjet hovers down onto the landing strip, the door opens revealing the rest of Avengers Island. Sam walks out of the Quinjet and stops, taking a look around the island.

SAM

“Wow, you guys must really have it out for yourselves, huh? So, who’s daddy funds all of this?”

Nick Fury walks up to Sam.

NICK FURY

“I do. And last I recall, you were missing for 8 months. What made you wanna come back all of a sudden?”

Sam furrows his eyebrows as he looks at Nick. *What a dick.*

. . .

MAIN BUILDING

Sam enters the building as Richard is rolled to the medical bay on a gurney. As he looks around, he spots a room with a red light. He walks over to the room and opens the door, now peaking inside, finding Hank Pym working on some Pym particles.

SAM

“Hello?”

Hank Pym was startled by this and accidentally throws a Pym particle at his phone. Hank Pym presses his tongue against his cheek and sighs, now looking at Sam with frustration.

HANK
“When driving, what does the red light mean?”

SAM
“I don’t have a license.”

HANK
“You look 17, how do you not know- Jesus.. Just get out.”

SAM
“Wait, hey - What are you working on?”

Hank lets out an exhale to try and calm himself down. He signals Sam to approach him and Sam does so, closing the door behind him.

Hank holds a Pym particle up and shows it to Sam.

HANK
“This is a Pym particle. Pym particles are specifically designed to shrink and *enlarge* whatever you throw it at.”

SAM
“Cool..”

HANK
“Watch.”

Hank aims the Pym particle at his shrunken phone and tosses it. The Pym particle hits the phone, causing it to enlarge back to it’s normal size.

HANK
“Before you *barged in*, I was hesitant on doing this because I had not thought it was ready but, thanks to you for startling me, I had no other choice.”

Hank holds his hand out to Sam, offering a handshake. Sam takes his hand and shakes it.

HANK
"Hank Pym."

SAM
"Sam Alexander."

HANK
"Pleasure to meet you."

. . .

FIRING RANGE

Clint Barton readies his bow and stares directly where he wants to hit.. Before he fires, Sam appears out of the blue.

SAM
"Hi-"

Clint fires the arrow and.. HITS THE TARGET! Clint sighs and turns to Sam, frustrated.

CLINT
"Really? I almost missed."

There was silence.. That was eventually broken by Clint's laughter out of no where!

CLINT
"Nah, I'm just kidding. I don't miss. Who are you?"

SAM
"Sam Alexander. You?"

CLINT
"Clint Barton. Wait, are you that Nova kid?"

SAM
"Yes, sir."

CLINT
"Don't call me sir, it's degrading. So, what happened? You were everyone's big hero and then you just.. *farted*."

SAM
"Uh-"

Suddenly, Ms. Marvel bursts through the door, panting like she had just ran a marathon.

MS. MARVEL
"I have been.. Looking *EVERYWHERE* for you.."

Sam looks at Ms. Marvel and tilts his head.

MS. MARVEL
"*Sam Alexander - The Legendary Nova*: I, Kamala Khan, the Marvelous Ms. Marvel.. Need your autograph."

Ms. Marvel holds out the drawing to Sam. Sam makes his way over to Ms. Marvel and takes the drawing. As soon as he takes the drawing, Ms. Marvel instantly hands him a pen.

MS. MARVEL
"I also got a pen!"

Sam takes the pen and signs the drawing. He admires the drawing.. *The drawing was him floating in space with several planets behind him*. He looked at the bottom right corner and found Kamala Khan's watermark.

SAM
“Wait, you drew this? This rocks!”

MS. MARVEL
“You really think so? I’ve been working on it since you farted.”

SAM
“Wow.. *8 months*..”

Sam’s expression changes to a frown as he reflects on the lost time. Suddenly, the speakers of the island make themselves known.

SPEAKERS
“Avengers and Sam Alexander, please make your way to the Board Room.”

. . .

BOARD ROOM

Sam Alexander, Ms. Marvel and Hawkeye enters the room and finds Captain America, War Machine, Black Widow, and Hank Pym sitting at the table with Nick Fury standing at the end, staring at a screen displaying Thane.

Sam and Ms. Marvel sit down next to each other as Hawkeye sits at the other end of the table next to Black Widow. The room goes silent. Sam is curious so he leans next to Ms. Marvel, now whispering in her ear.

SAM (Whispering)
“What’s happening?”

MS. MARVEL (Whispering)
“Nick Fury is about to do a little speech that recaps everything that happened in the last few days. It’s standard Avengers stuff.”

Sam nods and leans back to his original position.

NICK FURY
"Yeah.. Yeah, this is something new. Something.. *Out of this world*.. Something not *from* our world. As if fighting against an robot invasion wasn't enough, I guess the universe just decided it was type to take it up a notch and give us an alien. Now, this *Thane* character has already went up against Steve, but he only knows so much. Sam."

Nick Fury turns his attention to Sam.

NICK FURY
"Thane attacked Steve for 2 of the Infinity Stones but, you.. *Why did Thane attack you*?"

SAM
"It's a.. It's a little complicated-"

NICK FURY
"I don't need complications, Sam, I need a straight answer."

Sam looks around the room, finding the Avengers staring at him.

SAM
"Uhm.. I uh.. You all know I uh.. I farted one day, right? It wasn't meant to happen. I was meant to die that day. I *wanted* to die that day to protect all of you from Annihilus."

HAWKEYE
"I thought Annihilus was dead already?"

SAM
"I thought he was too. No one on Earth knew Annihilus was coming back because I stopped him before you could even hear a mention of him. I.. I tried to sacrifice myself by destroying his main weapon called the Cosmic Control Rod and, yeah, I did destroy it but it came with a cost of taking me away from my friends and family.. I was taken to a world beyond our own. A

universe between universes. *The Negative Zone*. For you guys, it was 8 months I was gone, but for me.. It was 6 days."

The hearts of everyone drops..

SAM
"6 days, trapped in the Negative Zone, 6 days I spent trying to find my lost helmet.. 6 days.. I met Thane. He's a monster. A man who's hellbent on taking over our universe because he's got some daddy issues. That's what he wants the stones for - His *conquest*."

MS. MARVEL
"Nova.."

SAM
"Call me Sam."

MS. MARVEL
"Okay.. Sam - We're gonna stop him, okay? Where is he now?"

The doors to the board room open, revealing Richard Rider carrying Sam's helmet.

RICHARD
"Sam, it's Nova Prime. She says it's urgent."

SAM
"I hope its about my dad because I got some very unpleasant words to say to her."

Sam gets up from his seat but Ms. Marvel stops him.

MS. MARVEL
"Wait, where are you going?"

SAM
"I'll explain everything to you when I get back."

BLACK WIDOW
"We're coming with you."

Sam turns to Black Widow and scoffs.

SAM
"Honey, I'm going to space. Unless you have a space ship, by all means."

Sam walks out of the room as Black Widow stares at the doors closing with a deep confusion.

BLACK WIDOW
"*Honey?*"

. . .

OUTSIDE

As Sam puts his helmet on, his suit covers his entire body. He gets ready to fly into space but he hears many footsteps behind him. He turns around and spots the Avengers.

NOVA
"Guys, come on. I got some work to do."

Ms. Marvel walks up to Nova and hands him a comm piece.

MS. MARVEL
"Let us know what happens. Capiche?"

Nova wants to say no to this but then he remembers getting stuck in the Negative Zone.

Nova takes the comm piece and applies it to his ear from under his helmet.

NOVA
"Yeah, that's probably a good idea."

Nova backs up a bit and LAUNCHES himself into the sky, shooting himself through the clouds.

NOVA
"WOOOOOOOOOO!!!"

. . .

XANDAR

Nova Prime stands outside of the Nova Corps HQ as she watches Nova hover down with his arms crossed.

NOVA
"You and I got a lot to talk about, Irani."

NOVA PRIME
"That's Nova Prime to you, Sam Alexander."

NOVA
"No, we're way past role names. So.. My dad. He never really died, huh?"

IRANI
"So.. You know about that."

NOVA
"Uh-huh. Apparently, my old man was stuck in the Negative Zone, a place *I*, myself, was stuck in. You know, I appreciate you trying to keep him alive but.. He should have stayed dead."

IRANI
"Adorable. You've spent all your life wondering what really happened to your dad, come to find out he's alive and now you wished him death?"

NOVA
“Yes, it’s not that confusing. He worked with Thane.”

That name.. *Thane*.. Memories circle all around Irani’s mind.. *Dark*.. *Dark memories*.

IRANI
“You met Thane.. Have you?”

NOVA
“Yeah.”

IRANI
“Then you must know something. Sit.”

NOVA
“Nah, I’m chill floating.”

Irani nods.

IRANI
“As you wish..”

. . .

XANDAR
191 YEARS AGO

A 23 year old Thane was seeing being awarded the Nova Corps helmet on a stage in front of a giant crowd of people by Irani.

IRANI (V.O)
“Thane was once part of the Nova Corps. He was our top soldier..”

. . .

Flashforward, we find Thane taking on an army of the Chitauri, murdering *THOUSANDS* with a single beam.

IRANI (V.O)
“But, his attachment to the helmet became too unhealthy.. He decimated an entire Chitauri civilization in under 2 weeks.. Unprovoked.”

. . .

Flashforward, we find Thane, in his Nova gear, defending himself from the Nova Corps.. *473 soldiers.. 1 man..*

IRANI (V.O)
“It was on the final day, I sent our top department to eliminate him.. He killed them all but with the price of his energy. We were able to subdue him and arrest him but after a week, he escaped. Even without his helmet. We had learned that the power from the helmet became symbiotic to him.. So, the power of the helmet never left..”

. . .

XANDAR
PRESENT

IRANI
“That was the last we had ever heard of him. Rumors spread throughout the galaxy that his father, *Thanos*, managed to capture him and send him to the Negative Zone. With what you’ve told me, that rumor might be true.”

Nova stares at Irani in disbelief.

NOVA
“The day I got this helmet.. The day I met you.. All of what you told me.. About my dad.. It was all a lie. Thane took my father.. Didn’t he?”

IRANI
“Yes.”

NOVA
“Why was I chosen?”

Irani was silent..

Nova hovers down to the ground, snapping his fingers at Irani.

NOVA
“Hello?? Why was I chosen?”

IRANI
“We knew Thane would return one day.. His lust for vengeance was what we believed in.. I created the Nova Corps to keep the universe safe from threats like him.. But, more importantly.. Your father was my child. I never wanted him to join the Nova Corps because I knew one day he wouldn’t make it but he insisted. He knew I created the Nova Corps for the greater good and thank the cosmos, he did.. *I* called to you.. Because you’re the only one to stop Thane.”

Nova backs up a bit.. *This lore drop.. Is some heavy hitting shit*.

NOVA
“I’m.. I’m Xandarian..? I’m your grandson..? Why didn’t you tell me before? WHY?!”

IRANI
“BECAUSE YOU ALREADY HAD A FAMILY ON EARTH! I NEVER CAME TO YOU BECAUSE I KNEW IF I DID, YOU WOULD SEE ME AS A STRANGER! You don’t think I wanted to greet you? You don’t think I *begged* for your father to let me meet you when you first opened your eyes? I hired one of the Novanauts to place the helmet in your wall because I knew you’d make your way to me.”

NOVA
“This.. All of this.. Wasn’t just because you knew I’d be the one to stop Thane.. But because you were too much of a coward to visit me back on Earth.”

IRANI

“There’s more to that-”

NOVA
“Save it, Irani. Call the Guardians. I need them to help me with Thane.”

Irani nods softly and reaches into her pocket, taking out a small holographic device. She presses a button and calls the Guardians.

. . .

SPACE

The Aerosmith, the Guardians of the Galaxy’s ship, cruises through the open void of space as Oh, Sweet Nuthin' by The Velvet Underground played on Star-Lord’s iPod that was connected to a speaker.

Star-Lord, the team’s leader, sees Irani’s call and chuckles.

STAR-LORD
“Hey, Guardians, check who’s calling.”

Drax looks at what Star-Lord is referring to and laughs. Gamora looks next and scoffs.

GAMORA
“What does she want?”

ROCKET
“My guess: She wants us to do something that could get us killed.”

GROOT
“I am Groot.”

MANTIS
“Groot makes a good point. We do a lot of things that could get us killed.”

DRAX

“Death will have to wait a bit longer. I will not die just because this intergalactic bitch wants us to. Decline the call.”

ROCKET
“What? Come on, let’s mess with her a bit. Answer.”

GROOT
“I am Groot.”

Star-Lord looks at the ongoing call and sighs.. He turns to Gamora. Gamora nods, signaling Star-Lord to answer. Star-Lord answers the call.

DRAX
“What?”

ROCKET
“Haha!”

STAR-LORD
“Nova Prime. What suicide mission you want us to do now?”

IRANI (Call)
“No mission. Just someone who wants to see you.”

STAR-LORD
“Who’s the *someone*.”

NOVA (Call)
“Joe.”

STAR-LORD
“J- Joe?”

NOVA (Call)
“JOE MAMA! It’s Sam. Get your ass over here.”

Everyone on the ship smiles..

ROCKET
“Sam, you son of a bitch..”

Star-Lord laughs out of pure enjoyment and turns the ship around.

. . .

XANDAR

The Aerosmith slowly lands on the soils of Xandar as Nova eagerly waiting for the doors to open.

As the doors open, Nova races over and sees Star-Lord first thing. Nova and Star-Lord both hug each other and laugh.

STAR-LORD
“Holy crap, it’s really you!”

They stop hugging. Nova looks over at Gamora and smiles, now moving over to her to give her a hug. They both hug.

GAMORA
“We missed you kid!”

They both stop hugging. As soon as they stop, Drax comes out of no where and hugs him tightly.

DRAX
“It’s good to see you, old friend.”

Rocket, Groot and Mantis join the hug, along with Star-Lord and Gamora again.

NOVA

“Okay, okay! I missed you guys, too.”

Everyone stops hugging each other.

STAR-LORD
“We heard everything that happened. Dude, the *Negative Zone*? Wild!”

NOVA
“It’s a lot more than wild. Dude, there was 3 headed goats with wings there!”

DRAX
“That sounds like a delightful trip.”

Irani steps up to the Guardians. Everyone turns to Irani and it’s very clear that they are *not* fond of her.

IRANI
“So, *grandson*, mind telling your friends what’s going on?”

Everyone looks at Nova with deep confusion. Nova clenches his eyes and bares his teeth. He turns to the Guardians, opening his eyes and scoffing.

NOVA
“Yeah.. *That* and *that*.. So, there’s this Thane guy-”

STAR-LORD
“No no. Take a step back - *Grandson?*”

NOVA
“It’s a long story. A story I especially don’t wanna deal with the pressure of again. MOVING ON! Okay, so, Thane, he’s uh..”

Nova looks at Gamora and gives a nervous smile.

NOVA

“He’s kind of.. *The son of Thanos*..”

Gamora’s eyes widen..

NOVA
“Uhm.. Thanos banished him to a place called the Negative Zone, obviously a place I’ve been to and was *saved* from-”

ROCKET
“You’re welcome.”

Nova turns to Rocket.

NOVA
“What?”

ROCKET
“Yeah, I sent Quasar to go save you.”

NOVA
“Aww, dude. That’s so cool.”

ROCKET
“Not because I wanted to be nice, it was because I didn’t want my ship to get destroyed again.”

Star-Lord turns to Rocket with a confused look.

STAR-LORD
“Uh, I think you might have gotten it all wrong - It’s actually *my* ship.”

ROCKET
“Okay, whatever you say, Space Princess.”

GAMORA

“Please don’t bicker now. Nova, where is Thane now?”

NOVA
“He’s on his way to Quasar. He’s looking for the Quantum Bands so he can escape the Negative Zone.”

DRAX
“But he is already out of the Negative Zone.”

NOVA
“He has to go back through the Negative Zone to go into another universe that has 2 infinity stones - The Reality and Space.”

GAMORA
“What? Wait, no, Thanos said there was only one stone.”

NOVA
“Thanos must have spent too much time on the internet. I need to go to Quasar before Thane can get to him. If everything goes according to plan, I’ll let you guys know.”

STAR-LORD
“Alright.. Sounds like a shit plan. Guardians, ship, Nova, Quasar.”

Nova smiles softly and flies off into space as the Guardians leave to the ship. Irani goes to follow but Star-Lord stops her.

STAR-LORD
“Yeah, no.”

. . .

RANDOM PLANET
QUASAR’S SPACE HOME

Quasar was seen sitting on his couch, playing Fortnite whilst he talked to his friend.

QUASAR
“ON ME! ON ME! THEY’RE FUCKING ON ME!”

Suddenly, the power goes out! Quasar stares at the blank screen with his jaw dropped, flabbergasted by this sudden inconvenience.

QUASAR
“What the fuck.. Yo, Noobmaster, you there? Yo?”

Quasar doesn’t hear a response. He tosses his controller on the table and groans in annoyance. He lets out an exhale and stands up, now advancing towards the front door. He opens the door and steps outside, taking in the great view of a planet..

When, BAM! He was tackled into the sky by.. *THANE!* Thane throws Quasar onto a large asteroid. Quasar groans in pain as he slowly gets up. He then finds Thane flying closer and closer!

QUASAR
“OH, FUCK OFF!”

Quasar creates an energy forcefield around him but its no use as Thane crashes through the forcefield and slams his fist right into the middle of Quasar’s face, causing him to fly 13 feet away. Quasar manages to stop himself and quickly gets ready.

QUASAR
“Last I recall, Nova and I left you stranded in the Negative Zone.”

THANE
“I plan on going back for a small trip. All I need are those bands.”

Quasar looks at his Quantum Bands and chuckles.

QUASAR
“Yeah, right! Finders keepers.”

Thane flies faster toward Quasar but gets beamed by.. *NOVA!!*

NOVA
“THANE!”

Thane stops himself and turns to Nova.

QUASAR
“Hey, look! A family reunion!”

NOVA
“We just need the grandma that we haven’t seen in our life pointing at us stating that she remembers us.”

QUASAR
“And the conservative uncle!”

Nova and Quasar laugh with each other before they fly towards Thane. They go to both punch Thane at the same time but, Thane lifts up the Infinity Gauntlet and uses the power stone to reflect the oncoming attack away. Thane powers up his energy beam on both of his hands and fires at both Quasar and Nova, in which it lands, causing them to fly a few feet away.

Quasar, on the other hand, crashes back onto the planet and into a cave. Thane goes to fly after Quasar but Nova comes out of no where and tackles him, sending several hits into his right cheek.

NOVA
“YOU HURT MY FRIEND!!!”

THANE
“GET OFF!”

Thane activates the power stone and creates a massive concussive last, sending Nova flying off of him. Thane continues to fly towards Quasar's cave.

Before he could enter, a MASSIVE cosmic fist comes out of the entrance and WHAMS into Thane! Quasar flies out of the cave and into Thane, now crashing him into the ground several times before he throws him into the side of a mountain.

Quasar teleports in front of Thane and sends several punches into his sides and his face.

He goes to send one last punch but Thane catches his fist and pulls him into a headbutt!

. . .

SAGITTARIUS A

Aboard the Aerosmith, Star-Lord is very frantically tapping his foot..

STAR-LORD
"I don't like this. Nova hasn't talked *once*."

ROCKET
"Stop whining, Star-Munch. Nova's fine, he's got this. Besides, he fought Thane before, right?"

GROOT
"I am Groot."

ROCKET
"So? It's a damn helmet!"

GAMORA
"Groot is right. Thane is twice as power as Nova. He's gonna need our help."

Star-Lord readies the ship and then flies away!

. . .

QUASAR'S PLANET

Thane grabs Quasar by the throat, picking him up and slamming onto the ground!

THANE
"You're starting to piss me off."

QUASAR
"Yeah, I do that!"

THANE
"Not anymore."

Thane lifts up the Infinity Gauntlet and activates the power stone.. He reels his fist back.. And SLAMS INTO QUASAR'S FACE! BAM! BAM! 2 MORE TIMES! K-THOOM! ANOTHER! SKADOOSH! ANOTHER!

He continues on and on until.. *Quasar's hands drop*.. Thane stops his wrath and stands up. *Blood*.. *Everywhere*.. Thane looks at the lifeless body.. And *smiles*.. The smile eventually began to turn into a soft chuckle.. And then into laughter.

THANE
"Hahaha! HAHAHAHA!"

He stops laughing.

THANE
"I thought you were stronger."

Thane takes one last look at Quasar before he bends over and takes the Quantum Bands off.. As soon as he applies the bands on, Nova flies in front

of him, fists clenched, eyes focused, fully locked in. Thane looks at Nova and chuckles.

THANE
“What is it?”

NOVA
“You killed a friend.”

Nova shoots himself towards Thane but, Thane manages to quickly subdue him and send a VIOLENT front kick into Nova’s face, knocking him out on impact! Thane turns around and looks at Nova’s unconscious body.

Thane scoffs and flies off..

As soon as he flew off, the Aerosmith lands in front of Nova and Quasar..

. . .

SAGITTARIUS A

Thane floats in front of the supermassive black hole, slowly fading in a smirk. He then advances toward the blackness.. Eventually flying faster and faster..

. . .

He enters the blackhole, now entering the 4th dimension.. He flies faster and faster through the 4th dimension, passing by past DMU events and even DMU events that haven’t even happened yet! He then shoots himself further through the 4th dimension, breaking the barrier and entering the wormhole!

. . .

THE WORM HOLE

Thane lands on a small chunk of rock and watches as portals to other dimensions start opening up.

. . .

DC FATE

Superman flies through the city as a massive monster chases after him! He quickly stops in his tracks and turns around, sending a heavy hit into the monster, causing it to fly into the sky!

. . .

THE WORM HOLE

Thane turns to another portal that opened up.

. . .

REALITY ZERO

One of the Imagined Order's guards walks around, talking to himself.

I.O GUARD
"Eugh - Eueueu! OOOOOEEEEEHHH!"

. . .

THE WORM HOLE

Thane turns to another portal.

. . .

THE INVINCIBLE UNIVERSE

Invincible was seen lying on the side of a mountain, completely jacked the fuck up with his father, Omni-Man looking down on him with regret.

OMNI-MAN
"WHY DID YOU MAKE ME DO THIS!?-"

. . .

THE WORM HOLE

The final portal opens up and Thane smiles as this.. Is the universe he is supposed to go to. Thane takes a leap into the portal, now entering..

. . .

THE MARVEL DESTINY: FALLOUT UNIVERSE

The portal opens to the lake where Captain America had sunk the stones in Captain America: Part Two. As he goes to enter the lake, a voice stops him.

???
“I wouldn’t go in there. The lake is.. Full of radiation.”

Thane turns around and finds.. This universe’s Steve Rogers! Steve 2 looks at Thane’s gauntlet with the Power Stone in it’s slot.

STEVE 2
“That’s a nice piece of metal right there. Where’d you get it?”

THANE
“It’s none of your concern.”

STEVE 2
“It’s okay, chum. I had a run in with a stone like that before. Two stones, actually.”

THANE
“Then you know how powerful it is.”

STEVE 2
“..And how irresponsible people use it. Hand the stone over.”

THANE
“I’m afraid I can’t do that.”

STEVE 2
“It’s okay, I’ll just take it off your dead body.”

Steve 2 races over to Thane but.. Thane uses his telekinesis to LAUNCH Steve 2 hundreds of feet away. Thane chuckles and turns to lake, now walking into it.

. . .

Thane swims to the bottom of the lake and discovers the box with an ominous red and blue glow.. He takes the box and flies back out of the lake and onto the land.

He opens the box and finds the tesseract and the reality stone.. He uses his telekinesis to apply the reality stone to the gauntlet. He takes the tesseract and drops the box.. He places the tesseract on a slot and watches as it slowly melts into the open slot..

Thane looks at the 3 out of the 6 infinity stones and smiles..

THANE
"Three to go."

Thane activates the space stone and a portal opens up. He aims his left arm with one of the Quantum Bands on at the portal and uses it's energy to give the portal more a range. Thane walks into the portal and closes it.

. . .

UNDER THE BRIDGE

Vision sits by the fire, waiting for Thane to return. A green portal opens up in front of him and Thane steps out.

THANE
"Vision. Come."

Vision gets up and makes his way over to Thane.

VISION
"You have the stones?"

THANE
"I do. But, now I need your help. There are 2 stones left to achieve: The Soul and Time Stone. The Time Stone remain as Kamar-Taj, a palace solely built

upon the mystic arts and the Soul Stones lies somewhere on a planet called Vormir."

VISION
"You said there are 2 stones left.. But, you need six to complete your conquest.. What about.. The Mind Stone?"

THANE
"We will get there when it comes to that. But, now, I need you to fly to Vormir and achieve the stone. Meet me back at Kamar-Taj when you are finished. Understood?"

VISION
"Yes, master."

Vision flies away and so does Thane.

. . .

AVENGERS ISLAND

Rhodes paces around the room when on the phone with someone. He's stressed about something.. But what? Ms. Marvel walks in and sees Rhodes as he hangs up.

RHODES (Under his breath)
"Shit.."

MS. MARVEL
"What's wrong?"

RHODES
"It's uh.. It's about Tony. I tried to plead with the judge about his death sentence but they're not buying it. What's up with you?"

MS. MARVEL

“After the Stark Expo, my dad wanted me to go to therapy but, I.. I pushed it off. Honestly, I’m kinda glad I did because if I got that therapy, I probably wouldn’t have liked Tony as much as I do now. Heck, I might even have wanted him dead. But, I’m not that kind of person to wish that on someone, *anyone*. If you want.. I can probably help with Tony’s sentence.”

RHODES

“No, no. It’s fine. If the judge won’t do shit, then I know the president probably will. Him and I are kinda cool with each other, so it cancels out.”

MS. MARVEL

“You’re friends with the president?”

RHODES

“Acquantances, really, but eh, we’re getting there. So, that Nova kid, huh.. I see the way you look at him.”

Ms. Marvel’s eyes widen and she takes a step back.

MS. MARVEL

“OKAY, BUSTER! Let’s not do that-”

Rhodes laughs at this.. But, Ms. Marvel.. *She’s nervous like she’s about to sing in front of a crowd of people*.

. . .

THE AEROSMITH

Sam was seen snoring on a bed inside of a room with AC/DC posters, Aerosmith posters.. He wakes up and finds the posters and.. *The smell of Axe Body Spray*.

Sam sniffs the air and a disgusted look fades in.

SAM

“*Axe Body Spray*? Who uses-”

Quick realization.

SAM
"I'm in Peter's room, am I?"
. . .

Sam walks out of the room and over to the main area where he finds Rocket working on some weird machinery and Groot playing around with Nova's helmet. Sam rushes over to Groot and takes the helmet off.

SAM
"Groot, stop! This is not a toy!"

GROOT
"I am Groot!"

Rocket looks up at Sam and back at his machinery.

ROCKET
"Quill! Sleeping beauty's awake!"

Sam looks at what Rocket is building and has a question.

SAM
"What are you making?"

ROCKET
"A bomb."

Peter Quill rushes into the room and takes the bomb away from Rocket.

PETER
"DON'T BUILD A BOMB ON MY SHIP!"

ROCKET
"Give it back, Star-Fart, I wasn't done with it!"

PETER
"No! You're building a bomb on my damn, EXPENSIVE, ship! What is going through your little critter head when coming to the thought of *"Know what would be cool? If I built a BOMB on a ship!*". Hm?"

ROCKET
"You're making it seem like it's dangerous. I was cybernetically engineered to do 2 things - 1: Fly a spacecraft, 2: Build explosive shit. Now, give me my bomb back and no one dies."

Peter goes to say something but stops himself. He says it anyway.

PETER
"So, if *I* hold this bomb, it'll just explode?"

ROCKET
"*Definitely*."

Peter sighs and gives the bomb back to Rocket. He immediately continues working on it.

Sam scoffs at this as Gamora enters the room.

GAMORA
"No more arguing today, guys. Sam, what happened to Thane?"

SAM
"He uhm.. He killed Quasar and.. He left. Meaning that you guys didn't do your job and I was left to fend for myself, what the hell?"

ROCKET
"Quill and Gamora's idea."

STAR-LORD
"*What the fuck?*"

GAMORA
"Rocket!"

SAM
"Alright, whatever. I'll just use the helmet to find Thane."

Sam puts his helmet on and his suit covers him.

SAM
"Helmet?"

HELMET A.I
"WAAZZZUUUUUUUUP!"

SAM
"Find Thane."

Coordinates to Thane appear on the helmet's HUD.

SAM
"He's on Earth. I'll upload the coordinates to the ship's data."

STAR-LORD
"Wait, wait, wait.. *Earth*? What is with this guy and picking locations?"

SAM
"The Infinity Stones, Star-Lord. Catch up."

Sam walks away, leaving behind a disappointed Star-Lord.

. . .

VORMIR

Vision was seen walking up a dark and ominous mountain as he looks around the planet of the dead.

???
“Vision, creation of Irani.”

Vision stops in his tracks and looks around in confusion and.. *In fear*. He eventually stops and finds a hooded figure in a black robe.

VISION
“How do you know me?”

???
“I am cursed with the endless knowledge of the universe. I know a lot of events from other’s lives.. And it’s scary how many horrifying memories I have to live with every.. Single.. Day..”

VISION
“Who are you?”

The Soul Keeper takes off it’s hood, revealing.. *Annihilus*.. Annihilus doesn’t have his armor anymore.. Instead, it’s just his insectoid form.

VISION
“Annihilus.. I know you.. You are supposed to be dead.”

ANNIHILUS
“A version of me, yes. Throughout the cosmos, there lies the sacred band of time. One small mistake and a strand of the timeline breaks.. I was one of them.”

VISION
“Oh, dear..”

ANNIHILUS
“Indeed. There isn’t anyone with you?”

VISION
“I have come by myself in search of the Soul Stone.”

ANNIHILUS
“Come with me.”
. . .

Vision and Annihilus make their way to the edge of the mountain where they are met by a cliff.

ANNIHILUS
“To obtain the Soul Stone, you must lose that of what you love.”

Vision stares blankly down the mountain..

VISION
“I.. I do not love... Anything. I am.. Incapable of feeling it.”

ANNIHILUS
“Then what you came here for wasn’t meant to be obtained by you.”

Vision was silent.. He knows he lost..

VISION
“This..”

He stops himself.. He squints his eyes softly.. *He might have found a solution.*

VISION
“How long have you been here?”

Vision turns to Annihilus.

ANNIHILUS
"It's hard to count.. Could be years.. *Decades*.. Centuries. Why do you ask?"

VISION
"Do you ever feel loneliness? You don't know how long you've been here so.. There must be a feeling of lonesomeness hidden behind your eyes."

Annihilus was silent..

ANNIHILUS
"Yes.. It does get lonely here. But, to reflect back on the lives you've taken and the lives you were *going* to take.. It's hard to feel that form of loneliness."

VISION
"I wish to feel. But, I was made to feel nothing.."

Annihilus finds himself curious on what he means.

ANNIHILUS
"You talk in past tence. Sit down. Tell me more."

Vision and Annihilus both sit down on a rock next to each other.

VISION
"My creator, Irani.. She created me for the purpose of protecting Xandar of the coming of Thane. She told me that he is the most powerful man in the universe and with all of that power, he can also be the scariest. I haven't seen much of his power but.. I have felt his pain. I've seen what I believe to be a glimmer of it, as well, but, I only know so much. That man say he is not broken but once you meet him.. Once you've seen what I have felt.. You know there is a man who just wants to feel like he hasn't lost so much."

ANNIHILUS
"I see.."

VISION
“Tell me.. How did you end up here?”

ANNIHILUS
“It was on the night of my conquest and I was defending myself against a man called Nova. He was powerful, I admit that.. But, he was no match for me. He was a child. Someone so naive and young.. He.. I killed him. I killed him in front of his entire planet.. Apparently, I was meant to be the one that died that night. *The others* had told me.”

VISION
“Who are the others?”

ANNIHILUS
“I do not remember.. But, I do remember how much I’ve reflected on my lifespan when I was exiled here.. It does get lonely here, Vision..”

Vision’s Mind Stone glows a faint yellow.. *For himself.. He feels.. A sense of love..*

VISION
“Then I can’t imagine how lonely it is down there.”

Vision digs his fingers into Annihilus’s throat and YEETS him off the cliff! Shortly after Annihilus’s final death, the sky glows an orange color.. A bright white light flashes over the region..

. . .

The light fades away and we find Vision sitting in a puddle on the ground.. With the Soul Stone in his hand. Vision stands up and stares at the Soul Stone..

The Mind Stone begins the glow, along with the Soul Stone.. A white flash of light covers the entire screen..

. . .

OROLLAN
THANE'S HOME PLANET
2 CENTURIES AGO

A younger Thane was seen playing with his toys as his mother played along with him. Thane smiles and looks at his mom, laughing as she made a funny face. Thane goes to play with his toy more when all of a sudden..

BOOM!

The room explodes! Thane was trapped under some debris.. He tries to look around as the fog clears and what he finds.. Is his mother being held by her neck from a hulking figure.. The figure looks at Thane quickly. Thane gasps and manages to get out from underneath the rubble and escape..

. . .

VORMIR

Vision's mind stone glows so bright, it's giving Vision.. *FEELINGS!* Feelings of fear and sympathy.. He quickly flies up into the sky.. *Desperate to find Thane..*

. . .

KAMAR-TAJ

Thane slowly steps over dead bodies of wizards as he slowly chases after.. *A WOUNDED WONG!*

THANE

"When I was young, I thought I wasn't enough for the Nova Corps.. For power so strong, it could decimate an entire planet.. But the day I achieved a helmet.. Was the day I knew my destiny.. The day I knew I could be something more.. You gave quite a good fight, Wong.. But, I am afraid you must join the others in the Astral Realm.. Well, before I do that.. I want you to remember this pain.."

Thane lifts up his gauntlet, revealing the Time Stone! The Time Stone glows and Thane turns his hand around, reversing Wong's wounds a bit before he was stopped by a *yell*.

???
"STOP!!"

Thane turns around and finds.. **VISION!**

VISION
"DON'T DO THIS, THANE!"

Wong manages to create a slingring portal and falls through it, now closing it behind him.

THANE
"Excuse me?"

VISION
"You're in pain.. I've seen it.. I've managed to combine both the Soul and Mind Stone's power and I saw what scarred you. I know pain now.. I know *feelings* know.. Do not do this.."

THANE
"Of course.. I knew you would turn on me, Vision.."

VISION
"I am not turning on you, I am just trying to give you a new perspective on life."

THANE
"LOOK AT WHAT LIFE HAD BROUGHT ME!"

VISION
"IT HAS BROUGHT YOU ARROGANCE!"

Thane ROARS and flies straight into Vision! He slams Vision against the ground several times before he throws him into the side of a mountain. Thane goes to slam his fist into Vision but Vision quickly fires a Mind Stone beam to try and stop him but, it only slows Thane down a little bite. Thane crashes Vision through the mountain and out of the other side.

Thane uppercuts Vision into the sky and flies past him quickly. He then brings his hands together and SLAMS the combined fists onto Vision's chest, causing him to fall a hundred MPH down to the ground.

Vision crashes onto the ground and groans in pain.. He looks up at the sky and finds Thane flying toward him. Vision quickly flies out of the way and turns himself invisible, camoflaging himself with the surroundings.. But, what he doesn't know.. *Is that he dropped the Soul Stone..*

Thane lands and finds the Soul Stone.. He smirks and takes the Soul Stone, now applying it to the empty slot.. He looks up and tries to use the reality stone to find Vision but.. He's already gone.

THANE
"VISIOOOOOON!"

Thane quickly flies away..

. . .

KAMAR-TAJ

The Aerosmith lands at the destroyed Kamar-Taj. The doors open and the Guardians exit.

STAR-LORD
"Holy crap.. What happened here?"

NOVA

“Thane. He was here.. He must have found another stone.. We’re losing time. Helmet, find Thane.”

HELMET A.I
“Locat- Loca- *THERE AIN’T NO REST FOR THE WICKED! MONEY DON’T GROW ON TREES!*”

Nova flops his hands on his side in frustration..

NOVA
“Well, shit. Helmet is glitched.”

ROCKET
“*Nova Corps: Cheapest police force in the galaxy*.”

GAMORA
“We need to find Thane and fast. Sam, do you have any ideas?”

Nova sighs.. He then remembers something..

NOVA
“Gamora, you’re the best!”

Nova flies up into the sky.

NOVA
“COME ON!!”

. . .

AVENGERS ISLAND
MAIN LIVING ROOM

The Guardians of the Galaxy and the Avengers were all seen interacting with each other.

GAMORA

“I like your hair.”

BLACK WIDOW
“Thanks. I like yours, too.”

We then find Star-Lord looking around the room, seemingly nervous about being back on Earth. Hawkeye takes notice of this and walks over to the kitchen and grabs a can of beer. He walks back over to Star-Lord and offers him the beer.

Star-Lord takes the beer and opens the can. Before he takes a sip, he looks at the brand.

STAR-LORD
“White Claw? What the hell is that?”

HAWKEYE
“Drink it. It’s awesome.”

Star-Lord shrugs and takes a sip.. And then spits it out!

STAR-LORD
“EUGH! It’s tastes like piss!”

We then find Ms. Marvel giving a dance lesson to Mantis.

MANTIS
“So.. Like this?”

Mantis, all of a sudden, begins to GRIDDY!

MS. MARVEL
“YES! YES! You’re a natural. Sam, look!”

Ms. Marvel looks at Sam and finds him staring out the window.. Ms. Marvel notices his frustration of something and walks over next to him.

MS. MARVEL
"You okay?"

SAM
"Thane already took so much from me.. Why am I holding back?"

MS. MARVEL
"Because you care, like the rest of us. I mean, I get it.. Some crazy stuff happened to me in my life.. My dad almost died, my house exploded, ex cheated on me.. And it turns out he was also trying to kill me."

SAM
"Yeah.. I've been there.. Well, sort of."

MS. MARVEL
"Oh.. You.. Wait.."

SAM
"I had a girlfriend, yeah. Turns out, going missing for 8 months is a good excuse for people to think you're dead."

MS. MARVEL
"Dang.. You know, while you were gone, I've been thinking.."

Sam turns to Ms. Marvel with a raised eyebrow.

MS. MARVEL
"Should we make a new team and name it the Kid Avengers or something else?"

Sam laughs at this and turns back to the window.

SAM
"I miss being here. I miss going on trips with my mom to the grocery store.. My.. My best friend.. *Ava*.. I.. I have to go, I'm sorry."

Sam walks away, leaving behind Ms. Marvel. Nick Fury walks into the room and claps his hands.

NICK FURY
"Enough chit-chat! We need to get down to business. First, where is Sam?"

MS. MARVEL
"He left."

NICK FURY
"To do what..?"

MS. MARVEL
"I don't know, he just said he had to go. He seemed stressed too."

NICK FURY
"Okay.. Hill, could you keep tabs on Nova?"

MARIA HILL (COMMS)
"Yes, sir."

NICK FURY
"Alright. We don't know where Thane may have gone but, we do know that he has *five* out of the six infinity stones.. Which probably means we're fucked. But, we won't be.. If anyone has any idea what to do."

The room is silent.. *Yeah, we're all fucked*.

. . .

QUEENS, NEW YORK

A thug was seen getting thrown onto the ground by.. *WHITE TIGER!*

WHITE TIGER
"Rule number one of having common sense: Don't rob an old lady."

The thug quickly gets up and goes to attack White Tiger. She dodges a few hits before she scratches the man's chest! She kicks back the man.. The man goes to attack her once more but out of no where, a basketball hits the back of the man's head, causing him to fall onto the ground, knocked out.

White Tiger looks up and finds.. *NOVA!*

NOVA
"Sorry I haven't been here lately. I was up in space again."

WHITE TIGER
"SAM!"

White Tiger runs over to Nova and hugs him!

WHITE TIGER
"I missed you so much!"

NOVA
"I.."

Nova hearing this.. *He missed her too..*

NOVA
"Do you wanna fly?"

WHITE TIGER
"Wait, what-"

Nova takes off, followed by White Tiger's startled screams!

. . .

TALL BUILDING

Sam, unhelmeted, and Ava, unmasked, sit on the edge of a building overlooking New York.

AVA
“This a nice view. Never seen New York this high before.”

SAM
“You should see it from space. Insane.”

AVA
“No, I mean *high* high.”

Sam turns to Ava quickly.

AVA
“Relax, I’m kidding.”

SAM (Turning back to the view)
“Oh.”

As Ava looks at the view.. She wonders..

AVA
“So.. Did you uh.. What did you wanna talk about?”

SAM
“How’d you know I wanted to talk?”

AVA
“You always do this thing where you ask to go for a walk or whatever to talk about something important.”

SAM

“Nuh uh, no I don’t.”

AVA
“The time you told me you were moving?”

SAM
“Yeah, but then I *didn’t*.”

AVA
“Because your mom got the-”

SAM
“The hospital job, yes. Am I really that predictable?”

AVA
“Yeah. Yeah, you are.”

Sam smiles and chuckles softly at this.. He even blushes a little.. Ava looks at Sam.. Sam looks at Ava... *The tension is rising..*

AVA
“I missed you, Sam.. I-”

Sam kisses Ava out of no where! *Ava gives into the kiss..* The two kiss for a bit before they eventually stop. Ava smiles softly as she remembers something from the past..

AVA
“..And you said you had no rizz..”

Sam laughs at this and Ava joins in.. Suddenly, a MASSIVE explosion was heard beneath them.. The building shakes.. And begins to tip over.. Due to the shaking, Ava falls out of the building. Sam quickly grabs his helmet and puts it on, flying after Ava!

NOVA
“AVAAA!”

Before Ava could hit the ground, Nova quickly grabs Ava and flies her to safety..

NOVA
“Are you okay!?”

AVA
“Yeah!”

Ava notices the destruction in the distance.. She points to the destruction and gasps!

AVA
“Sam!”

Nova turns around and finds the destruction.. *Policemen, firefighters, ambulances.. What could have done this?*

Nova looks up.. And finds Thane in the sky, waiting for him.. Nova flies over to Thane quickly. He stops himself and the two have a staredown before Nova breaks the silence.

NOVA
“What the fuck.. IS WRONG WITH YOU!?”

THANE
“Now now, Sam Alexander.. You have other matters to attend you.”

Nova looks down at the destruction and back up at Thane.

THANE
“I’ll be waiting.”

Nova quickly flies down and into the building.

. . .

NOVA

“HELLO!? HELLO, IS ANYBODY THERE!?”

A cry for help was heard.

WOUNDED CITIZEN

“HELP! I’M STUCK! MY LEG! MY FUCKING LEG!”

Nova quickly flies over to the cry and finds a man being trapped under rubble with his leg impaled by a rebar. Nova rushes over to the debris and lifts it up, along with the rebar. The man SCREAMS in agony!

Nova picks up the citizen quickly and flies him to the paramedics before he flies back into the building.

A group of firefighters follow him inside.

FIREFIGHTER

“Nova, we saw who did this. Don’t worry, we got this covered. Go kick his ass!”

Nova nods and flies out of the building before stopping at Thane once more.

THANE

“Too much to handle?”

NOVA

“I got some help. So, mind telling me why you did this?”

THANE

“To get your attention, of course.”

NOVA
“WELL YOU GOT MY ATTENTION! AND I’M PISSED!”

THANE
“I was counting on it.”

Nova powers up his gaunlets.. Getting ready to rock Thane’s shit.

NOVA
“I’m done taking your shit, Thane. We’re finishing this.. RIGHT NOW!”

THANE
“Good.”

Thane and Nova fly at fast speeds towards each other before-

. . .

AVENGERS ISLAND

The Avengers and the Guardians were all seen talking to each other when all of a sudden.. VISION CRASHES THROUGH THE ROOF! Everyone turns their attention to Vision and aim their weapons at him.. Whilst Ms. Marvel aims a chair at him.

Vision looks at everyone and he’s very visibly scared..

VISION
“New York.. Thane.. He’s in New York!”

Everyone looks at each other and they quickly get to work.

. . .

MANHATTAN

Thane and Nova fly around New York, giving each other hits left and right. Thane fires a blast into Nova, causing him to skid across the side of a building before he crashes into a train station.

Thane enters the train station and uses the reality stone to create an illusion of complete blackness..

Nova looks around, frustrated and afraid.. Suddenly, he gets punched in the face by an invisible person.. He gets punched again! And again! And again before he loses it and punches back, hitting Thane in the face, ending the illusion.

Nova flies into Thane and slams him against the walls a few times. As he continues to do so, he spots on coming train. He quickly flies both him and Thane out of the tunnel and into the sky. Thane kicks Nova off of him and sends a beam into him! Nova almosts crashes onto the ground before a portal opens up below him and ABOVE him, causing him to fall through the endless loop, gaining incredible speeds before a portal opens up in front of Thane.

Nova flies through the portal and meets a VIOLENT AND HEAVY HIT by Thane in the face, causing him to crash into the city across from Manhattan's lake.

. . .

Nova lies in a crater, groaning in pain.. Thane lands in front of him and aims his powered up Quantum Bands AND Power Stone powered up Infinity Gauntlet as Nova..

THANE

"I really enjoyed our time together, Sam Alexander.. But, I am deeply afraid we'll have to quit the child play and finish this."

Before he could fire the beam, he was shot in the back several times by.. THE AEROSMITH!

Thane quickly turns around and fires the beam at the Aerosmith. The ship quickly flies out of the way. Out of no where, Captain America's shield hits Thane in the knee, causing him to fall down on one knee.

War Machine flies over to Thane and sends a heavy kick into his face. He then fires a blast into his face, causing him to fall onto his back.

MS. MARVEL
"EMBIGGEN!"

Ms. Marvel embiggens herself and stomps on Thane! Suddenly, her size retracts and was thrown into a tree! Thane quickly flies up charges up a beam.. He circles around, firing the beam as the Avengers dodge out of the way.

Suddenly, Rocket's bomb attaches onto Thane's back and EXPLODES! Thane crashes into the ground and was met with one of Groot's large branch! Thane grabs the branch and throws Groot into the lake. Thane quickly up.. And catches an explosive trick arrow by Hawkeye...

He turns to Hawkeye, angered.. Hawkeye's eyes widen and he hides behind a tree.

Thane goes to fly toward Hawkeye but was tackled by.. **VISION!!**

VISION
"I WON'T LET YOU HURT ANYONE ELSE!"

Thane finds Vision's stone still intact. He grabs Vision by the throats and throws him with incredible strength into the streets of Manhattan. Thane flies over to Vision and punches him him several times before he grabs Vision by the leg and throws him into the sky. He activates the space stone and teleports to Vision, grabbing him by the throat.

THANE

“Congratulations, Vision. You’ve done your part!”

With ease, Thane grabs the Mind Stone out of his head and drops his body to the ground..

Thane applies the Mind Stone, the FINAL stone, to the final empty slot on the Infinity Gauntlet.. The power completely surges through Thane’s veins, making him make powerful by the second!

THANE
“My mission.. My destiny.. ***MY CONQUEST!!***”

Thane lifts up the Infinity Gauntlet and activates EVERY. SINGLE. STONE! A GIGANTIC PORTAL OPENS UP IN THE SKY! We find an upside down Negative Zone.. With Thane’s army’s ships flying out.. *The Conquest has begun..*
. . .

Nova was helped up by Black Widow.. Nova looks up at the sky and is HORRIFIED!

Nova turns to everyone.

NOVA
“Okay, Guardians, I need you to help evacuate everyone in the bottom half whilst the Avengers help evacuate everyone in the top half.”

CAPTAIN AMERICA
“Yes, sir. THIS IS IT, GUYS! LETS GO!”

Everyone leaves and Nova.. FLIES OVER TO THANE!
. . .

Thane laughs as he watches thousands of ships fly out of the portal.. BOOM! Nova tackles Thane and throws him onto the ground. Nova fires several beams at Thane but Thane dodges them all! Thane uses the reality and

power stone to conjure several asteroids in the sky and reign them onto Nova!

Nova beams them all and then fires a beam into Thane before flying into him again. Thane skids across the ground before he stops. Thane flies back up and the fight continues!

NOVA
"GRAAAAHHHH! YOU TOOK EVERYTHING FROM ME!"

Nova gives Thane a VIOLENT kick, causing him to crash into the side of a building.

NOVA
"MY ENTIRE LIFE! MY TIME!"

Nova fires a beam into Thane but Thane creates a forcefield around himself, blocking the attack. Thane flies over to Nova and gives him a nasty right hook, causing him to crash into the ground.

THANE
"YOU THINK I HAVEN'T LOST ANYTHING!? TAKE A LOOK FOR YOURSELF!"

Thane lands onto of Nova and grabs onto his head with the Infinity Gauntlet, activating the Mind Stone.

. . .

OROLLAN

A young Thane, still slightly trapped under debris, watches as his mother was held up by her neck.. *By Thanos..*

THANE (V.O)
"He wanted to kill me that day.. A CHILD! HE WANTED TO MURDER A CHILD!"

. . .

NOVA CORPS HQ
TRAINING GROUNDS

An older Thane parkours around the training grounds of the Nova Corps as judges write down his moves.

THANE (V.O)
"I trained YEARS, not to conquer the galaxy or the universe.. But to kill my own father.. TO KILL THE MAN THAT WAS MEANT TO RAISE ME!"

. . .

NOVA CORPS HQ
THANE'S DORM ROOM

Thane stares at his newly achieved Nova helmet..

THANE (V.O)
"But, that helmet I trained so hard to get.. To kill my own father with.. It spoke to me.. It wanted me to become someone who doesn't act on vengeance.. But on intergalactic JUSTICE!"

. . .

MANHATTAN

Thane picks up Nova with his telekinesis and tightens his grip, giving Nova some INCREDIBLE PAIN!

THANE
"They hated me for it.. For freeing the universe of it's criminality.. That was when I found out.. They weren't the real heroes.. *I WAS!*"

Nova cries in pain as Thane tightens his grip.

THANE
"I haven't took anything from you yet, Sam Alexander.. But, I am taking it now. You're losing the fight. GIVE UP!"

. . .

The Avengers were seen fighting against Negative Zonians. Ms. Marvel swings from a lamppost with his stretched arm and then slams her embiggened fist onto a Zonian.

Black Widow vaults over a car over to a Zonian and sends a violent kick into him. She then aims her gauntlets at the alien and fires several widow bites into him.

Captain America throws his mighty shield at a car, having it bounce off the side and into 3 Zonians, decapitating their heads. Out of no where, a car hits him in the side, causing him to get trapped!

Everyone turns to where the car came from and find 3 MASSIVE Zonians running at them!

MS. MARVEL
"Oh, come on!"

THUD! THUD! THUD! 3 arrows pierce the beasts but they continue to run.

MS. MARVEL
"Rhodey!"

War Machine flies over Ms. Marvel. She then extends her arm and grabs onto his leg, keeping her feet on the ground to stretch her arm further. She finally lets go and slingshots over to one of the Zonians. Before impact, she embiggens her feet and then SLAMS THEM into the Zonian's face.

A Zonian runs over to Hawkeye and goes to pound their fists into the hero but, suddenly, they stop.. Suddenly, their head begins to slowly bubble and grow in size...

POP! The Zonian's explode as ANT-MAN lands where the body flops.

ANT-MAN
“I’ve always dreamed of doing that.”

HAWKEYE
“You’re weird, man.”

ANT-MAN
“Thank you!”

The final beast runs over to a car and picks it up, now tossing it toward Captain America. Cap raises his shield and stops the car, now flipping it over on it’s back! Cap turns around, only to be backhanded by the Zonian, causing him to crash into a building. The Zonian leaps into the building and looks around to find that Cap.. Is gone?

Suddenly, Captain America’s mighty shield bounces off of the wall and into the Zonian’s head, knocking them out of the building, leading them to be impaled by a fire hydrant.

Cap leaps out of the building and runs back to his Avengers.

MS. MARVEL
“I think that might be the last of them.”

ANT-MAN
“There is a giant hole in the sky with more of them flying out.”

MS. MARVEL
“The wave, I mean! The last of this wave!”

WAR MACHINE
“Then we still have a long way to go.”

War Machine taps into his comms.

WAR MACHINE
“Yo, Sam. How we doing?”
. . .

Thane continues to tighten his grip, slowly crushing Nova.

NOVA
“NOT! GREAT!”

Suddenly, out of no where.. WHITE TIGER JUMPS ONTO HIM, SCRATCHING AT HIM!

WHITE TIGER
“GO BACK TO YOUR FUCKED UP PLACE!”

Thane grabs onto White Tiger from behind and hangs her from her left arm.

THANE
“NO MORE ANNOYANCES!”

Thane SNAPS HER ARM!! White Tiger SCREAMS in pain! Thane drops White Tiger to the ground.. But, comes to regret that when Nova fires a POWERFUL beam into his chest, causing him to fly a few feet away!

Nova sends several speedy hits all around Thane’s body as he flies Thane through the sky and over to..
. . .
ANTARCTICA

Nova crashes Thane into the ground and continues to wail on him.

NOVA
“I HAVE BEEN HOLDING BACK FOR SO LONG! NO MORE! I’M DONE! DONE!”

Nova continues..

NOVA
“AAHHHH!!! AAAAAAHHHHH!”

Thane catches Nova’s fight and sends a left hook into his jaw. Thane quickly gets up and kicks Nova a few feet away. The two power up.. AND FIRE INTO EACH OTHER’S BEAMS! They get closer to one another, hopeful that either of their beams prevail.. Suddenly, the beam explodes, causing Thane’s Nova helmet to fall out into the snow..

Nova gets up and spots the helmet.

NOVA
“Richard.”

Nova flies over to the helmet and over to..

. . .

AVENGERS ISLAND

Richard was seen, having be pretty much healed from his injuries, playing on a PS4 when all of a sudden.. Nova crashes into the room and gives Richard his helmet!

RICHARD
“Hey, what the-”

He notices the helmet.. And the beat up Nova..

RICHARD
“You didn’t bring him here, did you-”

He did. Thane crashes into the room and into Nova, slamming him into the ground!

THANE

“I’M NOT DONE WITH YOU YET!”

MANHATTAN

Star-Lord was flying in the air with his boots as Rocket sits on his back, firing his blasters with Quill.

ROCKET
“GET SOME! GET SOME! HAHAHAHHAHA!”

The Guardians finish off the wave of Zonians and quickly meet down on the ground.

STAR-LORD
“GUARDIANS, HUDDLE!”

The Guardians all huddle together quickly.

GAMORA
“Quill, there is too many of them!”

DRAX
“We’re getting tired!”

MANTIS
“My feet hurt!”

GROOT
“I am Groot!”

ROCKET
“Say what you guys want, I’m LOVING THIS!”

STAR-LORD

“Thank you, Rocket! Guys, come on, we need this Rocket energy! We’ve been fighting for YEARS now, there is no way in hell this will be our last stand. So, let’s all stop whining and show these alien bastards who OWNS THIS FUCKING GALAXY!”

The Guardians unhuddle and turn to the oncoming crowd of Zonians..

Star-Lord puts on his headphones and clicks play on his iPod..

There's Only One Way to Rock by Sammy Hagar

Star-Lord and the Guardians rush into battle! Star-Lord fires several shots into a few Zonians before he ducks under from an oncoming melee attack from a Zonian. He fires a shot into the back of the attacking Zonian, killing it instantly.

Star-Lord rolls out of the way from a thrown knife by a Zonian and fires a shot into it’s head.

Gamora leaps from a taxi cab and slices a Zonian in half with her blade! She turns to another Zonian and stabs it through the chest before twisting her blade and taking it out and plunging it into a Zonian’s head from behind.

We move over to Drax who leaps onto a 7 foot tall Zonian, plunging his blades into the back of the beast. He climbs up to the head and stabs his blade into the head. The beast falls and Drax gainers off of the beast, landing on his feet before giving a LARGE warcry!

DRAX
“AAAAAAAHHHHHH!”

Rocket throws 3 grenades at a small group of Zonians and BOOM! The grenade explodes. He then aims his massive gun at a few Zonians and reigns fire!

Groot extends his arm and impales 7 lined up Zonians, now slamming them onto the ground several times!

STAR-LORD
“AWESOME JOB, GUYS!”

"I wish I could say I was sorry.. But I lost my wife that day. Go home.. Be with who you have left. The Avengers.. Are over."

President Pierce steps out of the room, leaving behind the devastated Avengers.. They all sit in silence with drowsy faces, guilt and fear.. They lost. The whole world had turned against their only hope because they failed to save so many people.. As they sit, they wonder..

Where will they go from here?

CAREFREE, ARIZONA
GRAVEYARD

Sam and Ava stand at Eva Alexander's grave.. Sam begins his say.

SAM
"Hey, mom.. Sorry I wasn't here uhm.. Sorry I wasn't here earlier. I was stuck in a uh.. I was stuck in a world between worlds.. For 6 days.. When really, back here, it was 8 months.. Which is wild but.. That's beside the point. Coming back to find out you died.. I didn't know how to react.. A car wreck? I get those happen everyday but you're the best driver in this fucked up town. 8.. Months, man.. Fuck.."

Tears begin to drop from Sam's eyes.. Ava places her hand on Sam's back to help comfort him..

???
"Sam?"

Sam and Ava turn around and find.. CARRIE!

CARRIE

“I’m sorry about your mom.. Uhm.. I.. I’m sorry.. About everything.”

Sam turns to Ava.

SAM
“Give me a minute?”

Ava nods. Sam and Carrie walk a few feet away with Ava’s eyes still locked onto Carrie.

SAM
“What is it, Carrie?”

CARRIE
“I’m sorry I lost hope for you.. I shouldn’t have gotten with Karl even when I knew you were a space knight and.. Knowing you’d always come back..”

SAM
“Don’t. It’s fine, Carrie. I understand.. Being gone for that long, it’s.. It’s good enough to move on. And besides.. I’m sure.. Karl might have some good development.. But, if he hurts you.. Kick his ass.”

Carrie smiles at Sam and Sam smiles at her.

CARRIE
“And if Ava hurts you.. I’ll hurt her back.”

SAM
“I’ll let you know.”

Carrie nods and walks away as their character relationship has come to a close.. Sam walks back to Ava and lets out a sigh.

???
“I was so close to shooting her.”

Sam and Ava turn and find Star-Lord!

STAR-LORD
“Everyone’s ready. We got your room set up and.. I picked a few good songs for your iPod.”

SAM
“I got Spotify.”

STAR-LORD
“I don’t know what that is but, whatever floats your boat.”

SAM
“Yeah, man. Hey, give me a minute, will ya?”

Star-Lord nods and walks back to the Aerosmith. Sam turns back to Ava and the two share a long look.

AVA
“You don’t wanna keep them waiting. Go.”

SAM
“Not without a kiss..”

Sam pulls Ava in for a kiss and the two start smoochin’! The two stop and they share one last look at each other.

SAM
“You sure you’ll be okay?”

AVA
“I’ll be fine, Sam.. But, call me everyday.. Okay? I know you guys got Wi-Fi up there. I’ve used it.”

SAM
"I will, I promise.. I'm gonna miss you, Ava."

AVA
"I'm gonna miss you, too.. Now go be a space pirate."

Sam smiles and walks away.. Leaving behind his best friend/new girlfriend.. *The Love of his Life.. His destined soulmate*.

SAM
"Space Knight!"

ABOARD THE AEROSMITH

Sam walks onto the ship and finds Peter setting a route for Knowhere. Sam steps up next to him, watching Peter as he does this.

SAM
"So... Back on Earth, huh?"

PETER
"Yeah.. Exactly how I left it. Aliens, screams, guns. Home sweet home."

Sam nods at this.

PETER
"So.. New girlfriend, I see? Glad you two could figure things out."

SAM
"Same.. So, *captain*, where to?"

Rocket hops up onto Sam's shoulder.

ROCKET
"Knowhere."

Peter turns to Rocket, confused.

PETER
"Uh, I think he's referring to *me* as the captain."

ROCKET
"Do you hear that Sam? It sounds like.. A *crew member* is trying to have a say."

PETER
"Rocket, don't be a dick about this. I *paid* for this ship."

ROCKET
"Lord, his voice is so tiny, it sounds like a baby Orloni."

Sam chuckles as he walks away from an offended Peter.

. . .

Peter walks over to his seat and sits down, readying up the ship.

PETER
"*Guardians*.. You ready?"

ROCKET
"Just fly the damn ship."

PETER
"Someone's cranky."

DRAX
"Perhaps he needs a nap."

ROCKET
"Drax, do me a favor and BITE ME!"

DRAX

“Why would I bite you? You are a small, fragile rodent. Any pressure from my jaw would cause you significant blood loss.”

SAM

“It’s an expression, Drax. Can we stop arguing now? I wanna see some stars.”

Yes.. We will continue it. Just, try and keep it on the downlow, okay? I don't want anything to stir up. Good day."

President Pierce hangs up the phone and puts it on his pocket. He then presses a button underneath the desk and a small secret compartment opens up beneath the table. He reaches his hand inside and takes out a small vile of glass filled with blood.. He turns the vile around and a tape note was found, reading..
