

Privacy Policy

Photo Motion Effect is a free application provided by Vijay S. By using this service, you agree to our collection and use of information as outlined in this privacy policy. The personal information we collect is primarily used to enhance and improve our service. We promise not to share your information with anyone without your consent, except as described in this policy.

Types of Personal Information We Collect

The personal information we collect from you varies based on your interactions with us and the services we offer. Here's a breakdown of the types of personal data we may gather:

- **Identifiers:** This includes your name and contact details, such as email addresses and phone numbers.
- **Usage Data:** We track information like your IP address, the pages you view in our app, the dates and times of your visits, how long you spend on those pages, unique device identifiers, and other diagnostic data.
- **Device Information:** This encompasses the type and settings of your devices, device identifiers, browser types, mobile and wireless connections, operating system versions, network details (including your internet service provider and carrier), as well as application version numbers.

Links to Third-Party Service Privacy Policies:

Our services may include links to third-party websites or applications. Please note that we are not responsible for the privacy practices of these external sites or applications. We strongly recommend that you review the privacy policies of any site you visit that collects your personal information. Your privacy is important, and understanding how your data is handled is essential.

Service Providers

We might engage third-party companies and individuals for several purposes, including:

- To help us deliver our service;
- To provide the service on our behalf;
- To carry out tasks related to the service;
- To assist us in understanding how our service is utilized.

Please note that these third parties may access your personal information to carry out the tasks we assign to them. However, they are required to keep this information confidential and cannot use it for any other purposes.

Security

We appreciate your confidence in sharing your personal information with us, and we make every effort to safeguard it using industry-standard practices. However, it's important to recognize that no method of online transmission or electronic storage can be considered completely secure, and we cannot assure you of its total safety.

Links to Other Sites

Our service may include links to external websites. If you choose to click on a link to a third party, you will be taken to that site. Please be aware that we do not manage these external sites. We highly recommend that you check the privacy policies of any websites you visit. We cannot control and are not responsible for the content, privacy practices, or policies of any third-party sites or services.

Children's Privacy

Our services are not intended for individuals under the age of 13. We do not intentionally gather personal information from children in this age group. If we find out that a child under 13 has shared their personal details with us, we will promptly remove that information from our systems. If you are a parent or guardian and believe your child has provided us with personal information, please reach out to us so we can take appropriate action.

Changes to This Privacy Policy

Our privacy policy may be updated occasionally, so we recommend checking this page regularly for any changes. We will inform you of updates by posting the revised policy here. This policy is effective starting January 5, 2024.
