

Resources for scaffolding student learning

These resources were mentioned in Cherice Montgomery's Thursday morning session:

Spanish and English news stories adjustable to varying lexile levels, with reading support and quiz functions -- Newsela newsela.com

To develop academic skills -- supporting opinion, compare/contrast, etc. -- The [Academic Language Functions Toolkit](#) by / adapted from K. Kinsella

Amy Lenord's [Language Coaching](#) website

Quick Rubric: quickrubric.com

Storyboard That: storyboardthat.com

Photos for Class (Creative Commons-licensed photos, places citation on the photo): photosforclass.com

For brainstorming: [TitanPad](#), [Padlet](#), [Popplet](#)

Read - Write - Think -- readwritethink.org

Tricider (for pre-speaking brainstorming) -- tricider.com

Screencastify (for asynchronous interaction by video -- mock interviews) -- [screencastify.com](https://www.screencastify.com)

StoryboardThat -- creates comic strip-style storyboards with backgrounds, characters --
