

Sample Safety Policy 4

SunBright Ceramics Pvt. Ltd.

Occupational Health and Safety Policy

At SunBright Ceramics Pvt. Ltd., ensuring the safety and health of our employees is fundamental to our business ethics. We aim for a zero-accident workplace through active participation and compliance.

Commitment:

We will protect employees by managing safety risks with diligence, ensuring that safety practices are embedded into every factory operation.

What We Will Do:

- Enforce statutory safety norms and factory rules.
- Conduct routine inspections and safety audits.
- Train staff on health, fire, and chemical safety.
- Supply certified PPE and supervise usage.
- Encourage a safety-first attitude among all team members.

This policy will be reviewed at least once every year or sooner as necessary.
