

Letters to Home Synopsis

This piece features real letters sent from soldiers far away from home. The stories and letters are true and heartfelt. The score features familiar songs in order to give the script its biggest impact. We touch on WW1, WW11, the Korean and Vietnam Wars. We travel through Desert Storm, 9/11 and the War on Terror. (please see the trigger warnings on the preview page.) This show will move your audience in a way no other musical can..because it's real. Laughter and tears abound in this night of theatre. For cast requirements and a song list..
