There’s a ROULETTE in the first land: the Writing Desk, after you solve the puzzle. You can spin it every 5 hours.

SPECIAL BUILDING

Christmas Composition

Final stage

There are 12 Decoration Boxes in the location (on both levels), each box gives 40 Christmas Decorations.

You can build 1 ½ special buildings with these decorations. More decorations will be available in the next update.

TEAM COMPETITION

Toy Factory

You need Construction Parts to restore it.

You can get them from the Frozen Storage in Krakatuk Park.
There are 8 Frozen Storages in the location, each gives 75 Construction Parts. Process these storages using Helpers' Houses, 8 in the location.

After processing, you can “remove the ice” from the storage with 5 energy and continue processing it.

Participant Reward

Decoration and 25 emeralds

Personal achievements:

2000 Construction Parts - Ice Cream +100 Energy (3 items)

4000 Construction Parts - Lucky Coins (8 items)

6000 Construction Parts - 250-energy Dynamite (2 items)

9000 Construction Parts - Ice Cream +100 Energy (5 items)

12000 Construction Parts - 500-energy Dynamite

15000 Construction Parts - Falling Back +2000

18000 Construction Parts - Pocket Singularity (15 items)

21000 Construction Parts - De Rastignac's Gift multibox

24000 Construction Parts - Toy Factory (it's huge, a smaller version is in development and will probably be added later, by rotation)

27000 Construction Parts - Rechargeable Dynamite 1000 (5 items)
