\*Corresponding Author

**ABSTRACT**

The topic of the abstract should be relevant for the seminar and submitted track. The submitted abstract must be in English and should not exceed 300 words. It should include research objectives, key features of research methodology and key findings or results. It should also provide some indication of industrial applications or ideas about potential applications of the research work. The research work for this abstract must be original and have not been published or under consideration for publication elsewhere. This document must be prepared in a Microsoft Office Word file (\*.doc, \*.docx) on an A4 layout with margins of 3 cm width on both sides using Times New Roman fonts with the following sizes 10-pt for the Abstract Title, 10-pt for authors' names, 9-pt for affiliations and e-addresses, Single-spaced using 10-pt for body of abstract and 8-pt for keywords. Please provide at least three (3) to five (5) keywords that could be useful for information-retrieval purposes. The abstract should not contain citation and also should not contain any mathematical formula. [Times New Roman, 10 pt]

Keywords: Keyword1; Keyword2; Keyword3. [Write at least three (3) to five (5) related keywords] [Times New Roman, 8 pt]

Please tick ONE main related field for this abstract: (tick one only)
