Week of May 18	Monday	Tuesday	Wednesday	Thursday	Friday
Reading/Spelling All spelling activities are on spellingstars.com (see below)	May 18th- Complete Day 1 (Read Lesson) of Main Idea Lesson on Study Island (see below). Practice Lesson	May 19th- Complete Day 2 (Game Mode) of Main Idea Lesson on Study Island (see below) Play Games using Lesson 16-22 Words	Catch Up Day No Scheduled Activities	May 21st- Complete Day 2 (Game Mode) of Main Idea Lesson on Study Island (see below) Play Games using Lesson 16-22 Words	May 22nd- Complete Day 3 (Practice Mode) of Main Idea Lesson on Study Island (see below) Take Test Lesson 16-22 Words

	16-22 Words				
Grammar/Writing	<p>May 18th - Summer vacation is coming quickly! I hope you have all kinds of fabulous plans for filling those summer days with fun! For your last writing activity as a fourth grader, I would like you to create your own summer bucket list. A summer bucket list is just a brainstorm of all the things you would like to do this summer. Click on the link below to take a peek at an example (If you click on the image of the bucket list, it will enlarge so that it is easier to see.). Have fun with this activity, post it on your refrigerator or somewhere else, and check off each activity as you complete it this summer!</p> <p>http://mrswebersneighborhood.com/2019/05/27/2019-summer-bucket-list/2019-</p>	<p>May 19th - Click on the link below and watch "Understanding Prepositional Phrases."</p> <p>https://www.youtube.com/watch?v=TdPlprvTADY</p> <p>Then complete Day 1 (Read Lesson) of Prepositional Phrases Lesson on Study Island. Begin Day 2 (Game Mode) if you want extra practice.</p>	<p>May 20th -</p> <p>Catch Up Day</p> <p>No Scheduled Activities</p>	<p>May 21st - Complete Day 2 (Game Mode) of Prepositional Phrases Lesson on Study Island.</p>	<p>May 22nd - Complete Day 3 (Practice Mode) of Prepositional Phrases Lesson on Study Island.</p>

	summer-bucket-list-2/				
Math	<p>May 18th-NEW FRACTIONS MATERIAL Complete Day 1 (Read the Lesson) of your Block class Study Island for Add Fractions and complete the Day 2 (Game Mode) too so you have some practice with addition of fractions. This lesson should be an easy one for you. In addition and subtraction, don't change the denominator. If it is already split into that many pieces, you won't change it.</p>	<p>May 19th- Use www.xtramath.org to practice basic math facts. (Complete session of three groups of problems Watch for the You're done to know when finished).</p> <p>Complete Day 3 of Study Island for Add Fractions (Practice Mode) to show what you have learned about Adding fractions.</p> <p>-NEW FRACTIONS MATERIAL Complete Day 1 (Read the Lesson) of your Block class Study Island for Subtract Fractions This lesson should be an easy one for you. In addition and subtraction, don't change the denominator, focus on the numerator only. If it is already split into that many pieces, you won't change it.</p>	<p>May 20th- Catch Up Day</p> <p>No Scheduled Activities</p>	<p>May 21st-Complete the Day 2 (Game Mode) so you have some practice with subtraction of fractions then do Day 3 of Study Island for Subtract Fractions (Practice Mode) to show what you have learned about Subtracting fractions.</p> <p>Use www.prodigygame.com to practice individually assigned skills of fraction work with adding and subtracting fractions. OR begin Friday lesson for Study Island</p>	<p>May 22nd-Use www.xtramath.org to practice basic math facts. (Complete session of three groups of problems Watch for the You're done to know when finished).</p> <p>Complete Day 1 (Read the Lesson) of your Block class Study Island for Decompose Fractions and complete the Day 2 (Game Mode) too so you have some practice with decomposing fractions for next week. If you feel ready you may do a Practice mode, but it is not required. We will use this understanding next week in Multiplying Fractions.</p>

Science	May 18th-Complete Day 1 (Read Lesson) of Ecosystems Lesson on Study Island. You may begin Game Mode if you want to work ahead.	May 19th-Complete Day 2 (Game Mode) of Ecosystems Lesson on Study Island. Friday's lesson involves a video that is longer, so if you get extra time another day and want to start early to be able to see it all, please do so. Directions for logging onto Study Island and Completing Activities

1st – Log on to [Study Island](#) (click the link to login). Even though you are working from home, click on “Study Island for School” and login.

2nd – Click on **Start** beside the assignment that you are beginning.

Day 1 – Click on **Lesson**. Read over the lesson to review the content and skills. Make sure to look at the bottom of the page to see if there is more than one page to the lesson.

Day 2 – Click on **Game Mode**, and practice the content and skill. For each question that you answer correctly, you will be able to play a game! This is a fun way to make sure that you have mastered the content and skills. Please use the **Game Mode** for a minimum of 15 minutes.

Day 3 – Click on **Practice**. You will answer 10 practice questions and have the opportunity to earn a **Blue Ribbon**. You must answer 7 questions correct to earn a **Blue Ribbon**. If you don't earn a ribbon the first time, try again! However, remember that **Study Island** is able to determine if you are guessing or not understanding the content. When this occurs, you will be directed to complete **Building Block Topics** before you are able to try for another **Blue Ribbon** on this assignment. I will be able to monitor your progress from home. I'm looking forward to watching your growth on each assignment!

Directions for logging onto Math sites:

All Blocks of Math students should have their usernames and passwords for Study Island, Xtramath, and Prodigy in the front page of their agenda. If your child does not have this information available, please contact Mrs. Wright on www.ClassDojo.com messaging or email at kwright@nbcasd.org to be given this information. If you never joined our fourth grade teachers on ClassDojo and would like to, please contact your child's teacher and they can easily get you set up for this.

Directions for logging onto getepic.com (for Mr. Wasilko's homeroom).

I have created student accounts for each student on getepic.com. All they have to do is go to www.getepic.com/students, then log in with our class code (rmj9683), and select their name.

Directions for logging onto getepic.com (for Mrs. Wright's homeroom).

I have created student accounts for each student on getepic.com. All they have to do is go to www.getepic.com/students, then log in with our class code (dut5976), and select their name.

Directions for logging onto getepic.com (for Mrs. Blackburn's homeroom).

I have created student accounts for each student on getepic.com. All they have to do is go to www.getepic.com/students, then log in with our class code (dil1669), and select their name.

Directions for logging onto spellingstars.com (for Mr. Wasilko's Reading/Spelling Blocks to review spelling words).

I have created student accounts for each student on spellingstars.com. All they have to do is go to www.spellingstars.com and follow the steps below.

1. Click Login. Your child's username and password is the same as Study Island except the first three letters in their password are lowercase instead of uppercase. If they are having trouble logging in, please contact me on Class Dojo or mwasilko@nbcasd.org.
2. For Practice: Click the "Say It" button to see and hear the word and hear how it is used in a sentence. (Make sure the sound is on.) Then type the word in the provided space and click "Check It" to see if they spelled the word correctly.
3. For Games: There are 6 different games to choose from to practice. Most games the instructions are provided.
4. For Pre-Test: Try a pretest on Wednesday to check their progress. It works the same way as the Practice.
5. For Test: Try a test Friday to check their mastery. It works the same way as the Practice.
