- My name is Chris Fowler, and I am the new head men's basketball coach at Saginaw Valley State University. I am thrilled to join the university and not only bring an exciting product to the floor but bring the surrounding communities together! We will be hosting two youth camps in July, and I would love it if your school would be able to share our flyer with your families. Doing this helps create awareness and helps us build the foundation for the inclusive environment we are trying to create. We welcome boys and girls K-8 to attend these youth camps

and hope to see them there!  SVSU Youth Basketball Camps.pdf
