

Internship
Department of Electrical & Electronics Engineering
AY 2024-2025

1. Airport Authority Trivandrum

Date of visit :18/06/2024 to 12/07/2024

The 3 students of S6 have attended internship at Airport Authority, Trivandrum. It helped the students to experience working with electrical equipment, systems, and controls found in airports. It helped the students to get in-depth knowledge about power switching and transmission systems. Overall, it helped students to bridge the gap between theoretical knowledge gained in academic settings and practical applications in real-world substation environments, reinforcing understanding and competence.
