Bio: Steve and Astrid began their first full term of ministry as Assemblies of God missionaries in 1990 serving together with a German pastor at the Charismatic Center in Munich. From this church base support was given to new church starts in the cities of Rosenheim and Bad Tölz. In August 1995, the Dunn's moved north of Munich to start a new church in the city of Moosburg. A year later on October 5th New Life Free Christian Church in Moosburg was officially established. Today more than a hundred people make this their church home. On April 22, 2007 a newly built church facility was dedicated. The Dunn's were also instrumental in launching a church plant in the neighboring city of Erding.
