

2020-2021 Residency Release Information

- If you live outside of Mt. Pleasant Public School District AND
- If the current date is between August 31, 2020 and June 30, 2021
 - ☐ You must obtain a release from your district of residence. In order to obtain that release, you need to contact your district's Superintendent's Office and request a letter of release be sent to Mt. Pleasant Public Schools, Attention: Delayne Schutt, 720 N. Kinney, Mt. Pleasant, MI 48858.

A residency release is required by state policy for all students attempting to enroll in a public school outside of their resident district. Your child can NOT be enrolled or attend any MPPS school until that letter is received by MPPS. Furthermore, there may be additional steps necessary to complete the enrollment process. If that is the case, we will provide you with instructions on how to proceed.

The form letter below is attached for your convenience. You may use it to request a release from your district of residence. Keep in mind, however, that your district may have additional forms or questions for you to answer.
