---

# 1. Character Creation:

1. Character names must be realistic and must resemble real world names.
2. Your character must not be a Default, you must have some type of customization to your character.
3. Character names must not break TOS guidelines.
4. No Troll Characters will be accepted. Please put some effort into creating a Character or you will be asked to change; this can result in a FRP ban.
5. Females must be on Female peds.

---

# 2. OOC:

Players are required to remain in-character (IC) AT ALL TIMES. Bringing any information learned outside of character into roleplay is OOC and sometimes Metagaming, and is a bannable offense. For example:

1. Threatening to report someone is OOC.
2. Discussing things that happened IRL
3. Text chat, VOIP (Voicebox), radio, phone and commands like /ME are to be used only for IC content.
4. OOC videos or screenshots can NOT be used as IC evidence.
5. Only administrators are allowed to pause RP or investigate rule breaches.
6. Saying the words “come out the Green Zone” is considered OOC. Your character is meant to be like real life. There are no GZ’s in real life.
7. Calling someone a gender other than what they appear as in game is considered OOC and ban worthy.

---

## 3. F8/Combat Log:

Combat log is defined as purposely leaving a scene/closing the game to avoid an unwanted outcome. If you crash you must have your crash file in order to show that you did actually crash. When engaged in active roleplay, players should not disconnect from the server until the scenario has completely ended. If you get RDM, are a victim of failed rp, or any other reason that is not valid, you must remain in the scene and city until it is over and make a report in game. You can not combat log because someone else broke the rules. You will get reimbursed if the other person violated a server rule.

Examples are:

1. F8ing/Disconnecting while being robbed (3 week ban + inventory wipe)
2. F8ing/Disconnecting during a chase (3 week ban + inventory wipe)
3. F8ing/Disconnecting during any scene in general or during an Admin sit.

---

## 7. New Life Rule (NLR):

1. Once you die you can't remember your past life or the events that led up to your death for 35 minutes after you get revived. If you do interact with the same person, same opp, same enemy, or go back to the location of your death before the 35 minutes is up that is considered breaking the New Life Rule which will result in a ban.
2. You can be reminded of what happened by a person who was at the scene, must clip this interaction and must be roleplayed out.
3. A player may not return to the area of their death for at least 35 minutes or attempt to retrieve lost possessions from involved players.

---

## 8. Meta Gaming:

1. Using any out of character information for in character use.
2. Being in a call with someone on discord or any apps used for voice calls while playing the server.
3. Using OOC chat or pms to tell your location (especially during scenes/while you are dead)
4. Using out of game communications like Discord, Skype,Oovoo, etc. to communicate in character while in-game is forbidden.
5. No Stream Sniping: Going Into a Server Owner Stream or anybody's Stream in General who's in game to find their location and go to them.
6. Utilizing /pm while in a scene to communicate with another party.

---

## 9. Power gaming:

Power gaming can be defined as performing acts that are not human-like; forcing roleplay on others without giving them a fair chance; making up things which did not happen so that you can benefit; roleplaying things which are not possible script-wise so that you can gain an unfair advantage.

This consists of but not limited to:

1. If You Are Not Roleplaying As A Female You May Not Have On A Female Ped
2. Hopping inside of a vehicle to avoid being stabbed.
3. Selling drugs on top or below bridges and highways or on roofs/houses, this includes mountains. Or in green zones
4. No moving or hiding dead bodies.
5. Shooting from rooftops and hills/mountains is considered high ground
6. Running into a house to avoid rp.
7. Driving or running into water to avoid pd
8. Camping at a garage to wait for someone to pull out their car or stash car and rob them. If a car is left out at a garage and the owner of the car is not seen near the car, you may steal it

   *Examples:*

   1. Running into a Green Zone After Getting into a Shootout With Police or Rival Gang etc.
   2. Running into a Greenzone to avoid being killed.
   3. Shooting out of a Green zone.
   4. Shooting off of a roof or high places.
   5. Dumping your car in water in order to save loot. (Example: In a pd chase after a robbery dump your car in the water with the loot)
   6. Finding the quickest way to make money (Exploiting), rather than roleplaying around the City

---

## 10. Random DeathMatch (RDM):

1. Killing another person without a sufficient roleplay reason (deathmatching) is not allowed. Unnecessary provoking falls under this rule as well. Terrorism is strictly forbidden.
2. This also includes revenge killing — when you respawn after being executed and then kill (or at least attempt to) the person who has just murdered you. Your In Character memory is wiped off everything that led up to your death when you are killed, so you should forget about your attacker.

   *Examples:*

I. Walking up to Someone and Just Shooting them in the Head Without any Backstory or Any RolePlay Behind the Shooting.
II. YOU MUST HAVE 2 MINUTES OF RP WITH SOMEONE BEFORE ROBBING/KILLING THEM.
III. You are only allowed to kill someone without 2 minutes of RP if they initiate with you. (Aiming gun or threatening life)

---

## 11. Initiation:

1. Stealing someone's Car.
2. Threatening someone's life.
3. Aiming is initiation; you do not aim your gun at someone you don't intend on shooting.

---

2. 2 or more times is considered VDM.

---

## 14. Scamming:

1. Scammer Equipment is only for those who purchased the bundle through Tebex or one of the Owners.
2. You cannot have scammer equipment if you have not purchased the scammer job on our Tebex. If caught you will be permanently banned but you may sell blanks and checks.
3. There is no scamming limit when wanting to scam someone. But you cannot scam for supporter vehicles.
4. Players are able to rob all of the cash you are carrying on your persona. Avoid walking around with too much money unless you don't care about losing it.

---

## 15. Clothing:

1. You are NOT allowed to wear any sort of police or ems clothing if you are not a whitelisted emergency response employee.
2. You are NOT allowed to wear bulletproof helmets as it gives you an unfair advantage.
3. You are NOT allowed to wear any gang clothing, This includes gang chains. (if not in said gang)
4. You are NOT allowed to wear personal clothing if not given permission
5. Refusing to take off any of the things mentioned above after being told to do so by a staff member will result in a ban!
6. You are NOT allowed to wear 100k or die clothing.

---

## 16. Civilian Interactions:

- A civilian can be robbed/killed on a gang block after the civ has threatened or initiated.
- Super civ behavior (harassing gang members, continuously involving themselves in shootouts, initiating shootouts, etc...) is strictly prohibited and you will be banned.
- False flagging is not allowed, a gang member can ask you to remove the clothing you're wearing if not they can roleplay a scene of killing you which can lead to a CK (character kill)
- Gang members cannot rob civilians unless said civilians have negative interactions with said gang nor can a civilian rob a gang member.
- You are only allowed to rob a gang member as  a civilian if you outnumber them from a 3:1 ratio

MORE OF CIVILIAN INTERACTIONS/INTERACTIONS ARE IN THE FACTION RULES

---

## 17. Green Zones:

1. No kind of violent RP is allowed in Green Zones, any kinds of killing or initiation or violent interactions in general while inside of a Green Zone will result in a ban. These are meant to be safe spaces. You can build up RP inside of any GZ besides pillbox (it won't count) but must continue it outside of the Green Zones and you must still initiate/ rp for one minute outside of the GZ. ---

## 20. Chargebacks:

1. Anyone who charges back a purchase will be permanently banned from the server and discord with no unban.

---

## 21. PD Player Rules:

1. You must fear PD as if this were real life. If PD chases you, you must eventually pull over. If PD arrests you and sends you to jail you cannot exploit to get out.

2. If PD tries to arrest you, you cannot shoot them, but if there is a 3 to 1 ratio and an officer makes an arrest you can RP it out and have them release the arrested person. You cannot RDM or Rob pd.
3. You can not cop bait. This includes but is not limited to: Burning tires at a light next to them, Running a red light and then turning around and Doing it Again to get him to chase you.
4. You cannot kill pd if they catch you stealing checks and forging them.
5. If you lead PD to a gang block during a chase, it is considered powergaming and you will be banned.
6. If you get into a shootout and officers show up, they must hop out before you shoot at them but, you must try to run and clear the scene as if you're afraid to be arrested, however if you get caught, you get caught.
7. **Gun Aiming**: An officer can not aim a gun at you without proper cause and callouts. For example, if an officer is aiming a gun at you, you should fear for your life and follow instructions given (i.e if the officer is telling you to drop the weapon). However, if you outnumber PD after they arrive at a scene, by a 3 to 1 ratio, you may shoot at PD after 30 seconds. PD, likewise, should not shoot at civilians or criminals with no reason or without first giving warning/call outs. Once you have warned that you intend to use deadly force, you must wait 30 seconds then you may open fire. PD should never arrive at a call for shots fired or a gang block **ALONE**, if they do it is considered FRP.
8. If you are tased, you must roleplay out the after effects of being tased, however, cops cannot tase someone without warning that they are going to tase twice. After two warning, the cops may tase you. You may not shoot PD for tasing you, unless you outnumber PD by a 3 to 1 ratio. Again, PD should **NEVER** arrive to shots fired scenes or dangerous encounters without backup. **"Additional 32's".** If PD misses tasing someone twice, the civilian/gang member may shoot at them.
9. If a Police Officer attempts to tase you twice and isn't successful for both attempts, you can kill them.
10. If you are tazed and your character is not reacting to the effects, you must stop running or whatever you are doing and roleplay that you have been tased. This means, the taser has made contact with your body.
11. If police do anything invalid during a scene, you may only report after the scene is over.
12. An officer should only be able to handcuff you if you were tackled or tazed. If an officer fails to do any of those actions and still proceeds to handcuff you, you may report them.
13. PD may use lethal force, you are considered a threat to society.
14. in order to take an officers body cam, you must /me breaking the bodycam and /me breaking the dash cam
15. If you are killed in a PD shootout, PD can arrest you and take your items ONLY if they take you to EMS. A tact medic cannot revive anyone aside from PD.

## 22. EMS Player Rules:

1. Do not spam the EMS calls/panic button  if you die.
2. When you die pressing G is how you alert EMS when you die.
3. Once EMS arrives on the Scene, the scene is considered over.
4. If you're disrespecting EMS they have a right to deny you physical therapy.
5. EMS is a walking green zone, no negative behavior actions should be happening around them.
6. The hospital is not a chill spot, it is a green zone. If you're not seeking medical attention, leave the hospital. Refusal to do so can result in an Admin Jail  or being kicked depending on how many times staff or EMS has to tell you to leave.

---

## 23. New Trap Zone Rules
