judge note : Even though I absolutely adore your style and all the beautiful colours in here, I sadly can't give more points than this due to the missing sponsors signs, dressage fence, audience and the wrong weather conditions for the day.

judge note: A very nice and colourful entry with a lot going on, lovely to see it all so lively. I would have liked to have seen just a bit more subtle hint of shading in the background or some lining to make the people and big fence blend in with your style a bit more.

judge note : A very nice entry with a pretty pair, also adoring the vibrant bright colours and beach feel.

Sadly the weather conditions, missing audience and sponsors etc take down the points with quite a lot. I do really like the different views though !

The extended trot like this however wouldn't be right next to the fence if the horse faces this way, but across the arena ( either that, or the fence had to have the same direction/perspective ) I am also missing the judge's horse and letter/flowers since it's on the sea side of the arena.

judge note : Really loving how many details are in the drawing, which is so cool ! The shading on the pair looks simply fantastic ! I do think there might be a bit too much going on in the entry, so many things that draw the eye away from the pair. However cool that is, it also doesn't compliment them like they deserve. Sadly also had to take 1 point off for the hand position, even though not necessarily harsh. It's not what the judges want to see during a test.
