

Hey Andrew.

I hope you're doing well.

I read about your inspiring journey in overcoming rhabdomyosarcoma and leaving your medical career to establish a business that provides organic supplements.

Your dedication to quality and transparency is refreshing, especially in an industry where many companies are vague about their sourcing and ingredients.

After doing some thinking, I've come up with an idea that could help you build a stronger connection with your newsletter subscribers and increase customer loyalty.

Would you be open to receiving it as a gift from me?

Take care,

Stjepan.
