E-mail	
Corresponding Author	☐ Yes ☐ No

For manuscripts with more than five authors, add further Author Information blocks in the Word version or attach an additional author-information page using the same fields.

Corresponding Author

Full Name	
E-mail	

MANUSCRIPT SUBMISSION FORM

3. Manuscript Submission Confirmation

By signing this Form, the corresponding author makes the following declarations on their own behalf and, where applicable, confirms that they are authorised by all co-authors to make these declarations in connection with the submitted manuscript.

3.1 Originality and Previous Publication

I/We confirm that the submitted manuscript constitutes original scholarly work and has not previously been published in another publication.

I/We confirm that the manuscript complies with the Journal's requirements concerning originality, research and publication ethics, and scholarly integrity.

3.2 Exclusive Submission

I/We confirm that the manuscript is not simultaneously under consideration for publication by another journal or publication venue.

I/We undertake to inform the Journal promptly if the status of the manuscript changes in a manner relevant to this declaration.

3.3 Authorship and Co-authors' Consent

I/We confirm that all persons listed as authors satisfy the Journal's applicable authorship requirements and that no person who satisfies those requirements has been intentionally omitted.

I/We confirm that all co-authors have approved the submitted version of the manuscript and have agreed to its submission to the International Interdisciplinary Scientific Journal "Expert".

Where this Form is signed by the corresponding author on behalf of multiple authors, the corresponding author confirms that they are authorised by all co-authors to make the declarations contained in this Form and to communicate with the Journal on their behalf concerning the submission and publication process.

3.4 Citation and Attribution

I/We confirm that sources, ideas, words, data, figures, tables, and other materials derived from the work of others are appropriately cited or attributed in accordance with applicable scholarly standards and the Journal's requirements.

I/We understand that citations must be selected on the basis of scholarly relevance and must not be inserted primarily for the purpose of influencing citation metrics.

3.5 Article Declarations

I/We confirm that the manuscript contains the applicable Article Declarations required by the Journal, including Funding; Author Contributions; Conflicts of Interest; Acknowledgements; Data Availability; and AI Use Disclosure.

I/We confirm that the information provided in these declarations is accurate and complete to the best of our knowledge.

3.6 Generative AI and AI-Assisted Technologies

I/We confirm that any use of generative AI or AI-assisted technologies in the preparation of the manuscript complies with the Journal's Generative AI Policy.

I/We confirm that the manuscript contains the mandatory AI Use Disclosure, irrespective of whether generative AI or AI-assisted technologies were used.

I/We understand that generative AI or AI-assisted technologies must not substitute the accountable scholarly judgement of the author(s) or be used to generate prohibited substantive scholarly content.

3.7 Third-Party Material and Permissions

I/We confirm that we have the necessary rights and authority to submit the manuscript for publication.

I/We confirm that any third-party material included in the manuscript has been appropriately identified and that any permission required for its inclusion and publication has been obtained.

I/We understand that third-party material subject to separate copyright or licensing terms is not automatically covered by the CC BY 4.0 license applicable to the published article.

MANUSCRIPT SUBMISSION FORM

3.8 Copyright and Publishing Licence

I/We confirm that the author(s) retain copyright in the submitted work.

If and when the manuscript receives Final Editorial Acceptance for publication, I/we grant ASPECT-PRO LTD, as the Publisher of the International Interdisciplinary Scientific Journal "Expert", a non-exclusive publishing licence necessary to:

- publish the accepted work as the Version of Record;
- identify the International Interdisciplinary Scientific Journal "Expert" as the original place of publication;
- reproduce and distribute the published article;
- make the article openly available through the Journal website and Archives;
- disseminate the article through scholarly databases, indexing services, repositories, discovery services, and other appropriate publication channels;
- prepare, register, maintain, and disseminate bibliographic and publication metadata, including DOI-related metadata;
- preserve and maintain access to the published scholarly record.

This licence does not transfer copyright ownership from the author(s) to ASPECT-PRO LTD, the Journal, or the Editorial Board.

The non-exclusive publishing licence becomes effective only if and when the manuscript receives Final Editorial Acceptance for publication.

If the manuscript does not receive Final Editorial Acceptance, the publishing licence described above does not become effective.

3.9 Creative Commons Licence

I/We understand and agree that, upon publication, the Version of Record will be made available under the Creative Commons Attribution 4.0 International (CC BY 4.0) License.

Under CC BY 4.0, users may share, redistribute, adapt, transform, and reuse the licensed material, including for commercial purposes, subject to the conditions of the license.

I/We understand that publication under CC BY 4.0 does not transfer copyright ownership from the author(s).

3.10 Accuracy of Submitted Information and Metadata

I/We confirm that the information provided in this Form and in the submitted manuscript is accurate and complete to the best of our knowledge.

I/We confirm, in particular, the accuracy of the supplied author names, institutional affiliations, academic information, ORCID iDs, e-mail addresses, corresponding-author information, manuscript title, Article Declarations, and other publication metadata.

I/We undertake to notify the Editorial Office of material corrections or changes affecting this information during the editorial and publication process.

4. Corresponding Author Declaration and Signature

I confirm that I have read and understood this Manuscript Submission Form and the Journal policies and conditions referred to herein.

Where the manuscript has multiple authors, I confirm that I am authorised by the co-authors to submit the manuscript, communicate with the Journal in relation to the submission and publication process, and make the declarations contained in this Form on their behalf.

I confirm that the information and declarations provided above are accurate to the best of my knowledge.

Name of Corresponding Author

E-mail Address

Signature

Date

5. Submission Note

This Form must be completed and signed by the corresponding author and submitted together with the manuscript through the Journal's applicable submission procedure.

Where there is more than one author, the corresponding author signs the Form on behalf of all authors after obtaining their agreement and authorisation.

The completed Form forms part of the manuscript submission record.
