Complete Enrollment & Training Support for Skill India & PMKVY

We provide end-to-end services to help training centers, educational institutions, and aspiring candidates seamlessly engage with the **Skill India** and **Pradhan Mantri Kaushal Vikas Yojana (PMKVY)** initiatives. Here's what we offer:

📌 1. Candidate Mobilization & Counseling

- Targeted awareness campaigns and mobilization drives.
- Career guidance sessions to help candidates choose the right skill track.
- Pre-enrollment eligibility checks and document verification.

📌 2. PMKVY Registration & Enrollment

- Online registration of candidates on official portals.
- Support with biometric authentication (Aadhaar-based).
- End-to-end assistance with documentation and consent forms.

📌 3. Training Center Assistance

- Affiliation and accreditation support for new training partners.
- Setup guidance as per NSDC/PMKVY standards.
- Trainer onboarding and ToT (Training of Trainers) assistance.

📌 4. Course Implementation & Monitoring

- Curriculum delivery support with updated NSQF-aligned modules.
- Attendance tracking and daily record maintenance.
- Digital learning support via online/offline hybrid modules.

📌 5. Assessment & Certification Support

- Scheduling of assessments with SSCs (Sector Skill Councils).
- Coordination with certified assessors.
- Real-time updates and assistance till certificates are issued.

📌 6. Post-Training Placement Assistance

- Job fairs, employer tie-ups, and interview preparation.
- Placement tracking and reporting for PMKVY compliance.
- Entrepreneurship support and guidance for self-employment.

📌 7. Compliance, MIS & Reporting

- Regular updates to the Skill India Portal.
- Monitoring dashboards and reports for transparency.
- Audit-ready documentation and record maintenance.
