Chester Food Bank

Mission Overview

In June, a month dedicated to celebrating Dads and Grads, the Longmeadow congregation focuses on supporting the Chester Food Bank, which directly serves residents of Auburn. This initiative highlights the importance of community support and ensures that families in need

have access to essential food resources.

The Chester Food Bank plays a vital role in combating food insecurity, and our efforts aim to provide nourishment and assistance to those facing challenges in our community. By coming together, we can make a meaningful impact and help our neighbors during this important time of year.

Action Plan

Donation Collection: We encourage everyone in the congregation to donate non-perishable food items to the Chester Food Bank. Look for specific details on the types of items needed in the Village Crier.

Community Engagement: Throughout June, we will promote awareness about food insecurity and the vital services provided by the Chester Food Bank, encouraging participation from all.

Collaboration: This initiative fosters a spirit of teamwork as we work collectively to support our local food bank and help those in need.
