

Title: Making The Subtle Shifts Toward NGSS Alignment

Audience(s): teachers, instructional coaches, administrators

Grade Level(s): K-12

Overview: "Making the Subtle Shifts Toward NGSS Alignment" is an engaging and dynamic workshop designed for educators seeking to enhance their understanding and implementation of the Next Generation Science Standards (NGSS). This workshop goes beyond the basics, focusing on the nuanced adjustments needed to seamlessly integrate NGSS into classroom practices. Participants will delve into the core principles of NGSS, explore practical strategies for aligning curriculum and assessments, and discover innovative approaches to fostering inquiry-based learning. Through interactive sessions and collaborative discussions, educators will gain the skills and confidence to make subtle yet impactful shifts in their teaching practices, ultimately creating a more immersive and standards-aligned science education experience for their students. This workshop empowers educators to embrace the spirit of NGSS and transform their classrooms into dynamic hubs of scientific exploration and discovery.

How can we customize this offering for your district/ site?

- Delivery Method:
 - In-person
 - Virtual
 - One-on-one
 - Grade level team/ Small group
 - Whole staff
- Implementation Support:
 - Professional Learning
 - Coaching
 - Modeling
