

We have a new online printing service available at both of our libraries! You can send documents to be printed through a link, just include your name/email and upload the document to the platform (Princh). When you come to the library to pick up printed documents, we will release the document for printing. Printing costs are 10 cents per side for black and white, 25 cents for color. To send a print job, log in to Princh (link [here](#)). Print code for Walloon is 113052, code for Boyne Falls is 11053. If you have questions, call us at 231-535-2111.
