SUBJECT : **ENDORSEMENT OF ONE HUNDRED THREE (103) HOUSEHOLD**
BENEFICIARIES FOR PROGRAM EXIT DUE TO NATURAL
ATTRITION

DATE : **APRIL 3, 2025**

We are pleased to endorse One Hundred Three (103) household beneficiaries who will be exiting the Pantawid Pamilyang Pilipino Program due to natural attrition. These households were found to have no more eligible members for monitoring in the program following a thorough validation conducted on their current household composition by their respective City/Municipal Links. Documents for the delisting of households in the Pantawid Pamilya Information System (PPIS) submitted to the Provincial Operations Office were properly reviewed by the Social Welfare Officers III and Cluster Beneficiary Data Officers.

In view of the foregoing, it is hereby recommended that the household beneficiaries listed in the following table be tagged as Client Status 14 - No Eligible (0-18 y/o) for CVS Monitoring (Certified by RPMO) in PPIS for onward turnover to the Local Government Unit for the continuum of care.
