MASSACHUSETTS DEPARTMENT OF ELEMENTARY AND SECONDARY EDUCATION REPORT INTRODUCTION

During the 2022-2023 school year, Reading Public Schools participated in a Tiered Focused Monitoring Review (TFM) conducted by the Department's Office of Public School Monitoring (PSM). The purpose of the Tiered Focused Monitoring Review is to monitor compliance with regulatory requirements focusing on special education and civil rights. **The Department is pleased to report that the district was found to be in compliance with all criteria reviewed; no corrective action is required at this time.**

Each school district, charter school, vocational school, and virtual school undergoes a Tiered Focused Monitoring Review every three years. The statewide Tiered Focused Monitoring cycle is posted at <https://www.doe.mass.edu/psm/tfm/6yrcycle.html>.

Regularly monitored standards are divided into two groups, known as Group A Universal Standards and Group B Universal Standards. Districts and schools are monitored on an alternate set of Universal Standards every three years.

Group A Universal Standards address:

- Student identification
- IEP development
- Programming and support services
- Equal opportunity

Group B Universal Standards address:

- Licensure and professional development
- Parent/student/community engagement
- Facilities and classroom observations
- Oversight
- Time and learning
- Equal access

The Department has also reserved a specific set of criteria, collectively known as Targeted Standards, employed if LEA or school level risk assessment data indicate there is a potential issue; the identified Targeted Standards are assessed in addition to the Universal Standards.

Universal Standards and Targeted Standards are aligned with the following regulations:

Special Education (SE)

- Selected requirements from the federal Individuals with Disabilities Education Act (IDEA-2004); the federal regulations promulgated under that Act at 34 CFR Part 300; M.G.L. c. 71B, and the Massachusetts Board of Education's Special Education regulations (603 CMR 28.00), as amended effective March 1, 2007.

Civil Rights Methods of Administration and Other General Education Requirements (CR)

- Selected federal civil rights requirements, including requirements under the Every Student Succeeds Act (ESSA); Title VI of the Civil Rights Act of 1964; the Equal Educational Opportunities Act of 1974; Title IX of the Education Amendments of 1972; Section 504 of the Rehabilitation Act of 1973; and Title II of the Americans with Disabilities Act of 1990, together

with selected state requirements under M.G.L. c. 76, Section 5 as amended by Chapter 199 of the Acts of 2011 and M.G.L. c. 269 §§ 17 through 19.

- Selected requirements from the Massachusetts Board of Education's Physical Restraint regulations (603 CMR 46.00).
- Selected requirements from the Massachusetts Board of Education's Student Learning Time regulations (603 CMR 27.00).
- Various requirements under other federal and state laws.

PSM Team:

Depending upon the size of a school district and the number of special education programs to be reviewed, a team of one to four Department staff members conducts onsite activities over one to five days in a school district or charter school.

Tier Level:

The level of monitoring varies based on tier designation, aligning supports to the level of need and ensuring that districts and schools with greater needs receive appropriate supports to make sustained improvements.

Tier	Title	Description
1	Self-Directed Improvement	Data points indicate no concern on compliance and student outcomes.
2	Directed Improvement	No demonstrated risk in areas with close link to student outcomes.
3	Corrective Action	Areas of concern include both compliance and student outcomes.
4	Cross-unit Support and Corrective Action	Areas of concern have a profound effect on student outcomes and ongoing compliance.

For the 2022-2023 school year, the tier assignments are based on:

- Annual drop-out rate for students with disabilities
- Five-year cohort graduation rate for students with disabilities
- Public School Monitoring compliance data from the previous review
- Problem Resolution System data, specifically findings of noncompliance
- Special education SPP/APR compliance Indicator data for Indicators 4B, 9 & 10
 - o Indicator 4B: Significant discrepancy by race or ethnicity in removal of students with IEPs greater than 10 days
 - o Indicator 9: Overall disproportionate representation of racial and ethnic groups identified as eligible for special education
 - o Indicator 10: Disproportionate representation of racial and ethnic groups within specific disability categories
- Special education SPP/APR performance Indicator data for Indicators 5 & 6
 - o Indicator 5: Education Environments (6-21)
 - o Indicator 6: Preschool Environments
- Significant Disproportionality data 2021-2022 & 2022-2023

Template Version 113022

Tiering adjustments may be made for districts engaged in work with the Department's Statewide System of Support and have schools identified as requiring assistance and intervention. Tiering assignments may also be adjusted for schools and districts unable to remedy noncompliance within one year of the previous TFM review, as well as for charter schools requiring additional oversight based on conditions of their charter.

TIERED FOCUSED MONITORING FINAL REPORT

Reading Public Schools

The Massachusetts Department of Elementary and Secondary Education conducted a Tiered Focused Monitoring Review in Reading Public Schools during the week of January 2, 2023, to evaluate the implementation of Group B Universal Standards in the program areas of special education, civil rights, and other related general education requirements. The team appreciated the opportunity to interview staff and parents, to observe classroom facilities, and to review the programs underway in the district.

In preparing this report, the team reviewed extensive written documentation regarding the operation of the district's programs, together with information gathered by means of the following Department program review methods:

Self-Assessment Phase:

- District review of special education and civil rights documentation for required elements including document uploads.
- Upon completion of the self-assessment, the district submitted the data to the Department for review.

On-site Phase:

- Interviews of administrative, instructional, and support staff consistent with those criteria selected for onsite verification.
- Interviews of parent advisory council (PAC) representatives and other telephone interviews, as requested by parents or members of the general public.
- Review of additional documents for special education and civil rights.
- Surveys of parents of students in special education: Parents of students in special education were sent a survey that solicited information regarding their experiences with the district's implementation of special education programs, related services, and procedural requirements.
- Observations of classrooms and other facilities: The onsite team visited a sample of classrooms and other school facilities used in the delivery of programs and services to determine general levels of compliance with program requirements.
