Participants in person

*****ALL TIMES CET *****

Thu Sep 16 - Pre-Event

Join us for dinner to kick-off the discussions of the forum. This is also an opportunity for speakers to the public event to rehearse.

- Morning** Participants arrive
- 12:00 - 14:00** Lunch (rest. 01, optional)
- 13:30 - 14:30** Rehearsal part 01 - *speakers public event only* (Globe)
- 15:00 - 17:00** Rehearsal part 02 - *speakers public event only* (Globe)
- 17:30 - 18:30** Talk: AI at CERN (Council Chamber)
- 18:45** Transport to downtown Geneva
- 19:30 - 22:00** Opening dinner with Director for International Relations Charlotte Warakaulle as host (Restaurant Perle du Lac, Rue de Lausanne 126, Geneva)

Fri Sep 17 - Day 1 - Forum

This is the heart of Sparks! The Forum is framed around discussions instead of talks. Everyone takes part but no power point presentations are needed.

- 07:30 - 09:00** Breakfast
- 09:00 - 12:00** **Forum session 01**- presentation of topics and large group discussion (Globe)
- 12:15 - 14:00** Lunch (rest. 01)
- 14:00 - 15:00** Movement and Innovation (Auditorium) - "Movement and Innovation". Innovation doesn't only happen in the brain - it engages the whole human system. In this session we'll explore our capabilities beyond thinking and experience some of the movement based techniques for innovation processes developed at IdeaSquare@CERN. Learn more about these approaches and ignite a discussion on how body/mind experiences could inform the future AI development.
- 14:00 - 15:00** DeepMind updates (Charpak)
- 15:30 - 18:45** **Forum session 02** - breakout room discussions (Auditorium, various CERN rooms)
- 19:00 - 20:00** Closing session (Globe)
- 20:00** Travel do Satigny
- 20:30** Participants and Partners (sponsors) cocktail with Director for International relations Charlotte Warakaulle as host (Vineyards, Satigny)

Sat Sep 18 - Day 2 - Public Event
