#### **Box Tops for Education:**

Barton Elementary School will be participating in the General Mills Box Tops for Education program again this year. The Box Tops Labels can be turned into the homeroom teachers throughout the year.

#### **“Counseling”**

School counselors offer wonderful services to children and their families facing tough times. Think of this – each year in school is brand new to your child, with entirely new issues to deal with, but the counselors at the school have the gift of perspective. They’ve seen hundreds of kids go through the same “growing up” processes”, which means that they can help your child to see that everyone has challenges at one time or another, and there are lots of ways to fix them.

#### **Did You Know?**

Children who regularly eat meals with their families tend to do better in school and avoid risky behavior. Eating dinner together is great, but other meals count, too. If you work at night, maybe you could make time for a family breakfast. Or on a weekend, try a picnic lunch!

## **Celebrate progress**

Suggest that your youngster create a fun reminder of all the things she has accomplished. Let her cover a container with construction paper and label it “I did it!” Then she can write each success (“I learned to add fractions”) on a slip of paper and put it in the container. If she’s feeling discouraged, have her read the slips.

## **Worth quoting**

“The best way to cheer yourself up is to try to cheer somebody else up!”

*Mark Twain*
