WHS LLC Podcasting 🎙️
Storyboard / LLC Podcasting

Resources:
WeVideo.com (Record, edit, insert sounds/music, turn it into a vlog, etc.)
Spotify for Podcasters Anchor (Anchor will own your podcast "listening" after it is recorded).
Garageband (Apple devices: Record, edit, insert sounds/music, etc.)
Audacity (Free download to record audio)

Recommended Podcast Production Roles:
- **Producer/Director** Oversees the production and is responsible for organizing/scheduling recording dates and working with the team to problem solve (This is not a dictatorship.)
- **On Air talent** (Host, panelists, guest speakers, etc.)
- **Podcast engineer/technician** (works the equipment, edits segments/shows, etc.)
- **Publicity (PR)** Promotions and advertising through multiple forms of media
- **Transcriber** (creates a Google Doc. transcript of the podcast)

Segment Increments	Topics/Questions/Script	Director/Host Notes (Pre-production):	Show Notes: Resources, cite sources, reminders
00:20	Opening(Intro): Welcome to (Name of podcast)_____ I'm your host_____/Today we've got (guest/co-hosts/panelists)_____ ____ joining us to...	Anything that you may need for the episode...
