

Da Yin Elementary School

School features

Da Yin Elementary schools is located in Sanxing Township, Yilan County. Da Yin is a small school serving kindergarten through sixth grade. Pedagogy at Da Yin is guided by a desire to have happy students, hardworking teachers, and a safe environment.

In 108, Da Yin changed its curriculum to emphasize two missions:

1. Teach students to spread happiness through dance
2. Teach speech and drama to raise students' confidence in self-expression

Every Wednesday, all of the students and teachers meet in the gym for assembly. Here, announcements are made, prizes are awarded, and teachers lead a discussion about character. Each week features a different trait (such as compassion, diligence, or patience) for discussion.

Extracurricular Activities

In addition to their required courses, students can choose to participate in various clubs and sports teams. For example, many students are members of the soccer team, English club, or engineering club. Da Yin's recorder team has a history of success. They have won county-level competitions and continued on to compete at the national level multiple times.

Location

Sanxing Township is bordered by both the mountains and the river, creating a beautiful backdrop for the school. It is a rural area and many who live here are farmers. Sanxing is well-known for its delicious scallions. There is also a scallion museum near Da Yin. Their gift shop includes many scallion-themed items (including scallion ice cream). Sanxing has numerous riverside parks and hiking trails one can explore. At Plum Blossom Lake, you can rent a bike or go for a walk around the lake. The Kavalan Whiskey Distillery, in neighboring Yuanshan Township, is also a short scooter ride away.
