

Dear Hartnell Student-Athletes,

Prior to participating on a team from Hartnell College, student-athletes must provide the Athletic Department with their current address, emergency contact, insurance, medical alert(s), and health history information. We also have 3 other forms attached to the program. To expedite this process Hartnell College uses the Electronic Medical Records data entry system called SportsWare.

To enter your information for the *first time*, visit www.swol123.net. Please follow the directions in the box below to join SportsWare.
