

What's the Difference Between a Loaned Device and an #OaklandUndivided Device?

LOANER Chromebooks and Hotspots

Loaner Chromebooks

- Provided by your student's school as a "loaned" device that your student will need to return
- May be new or used condition but often used
- Will likely have a school or district logo on the cover
- Managed by your school or district so content-filtering is included
- Often has a sticker on it so it can be tracked by the school or district

*Example:
Oakland Unified

Loaner Hotspots

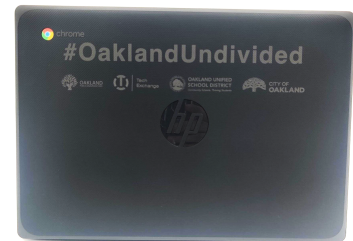

- Provided by your student's school as a "loaned" device that your student will need to return
- May be in new or used condition
- May be a smartphone or a hotspot
- Loaners from OUSD have Sprint service with 10GB of data monthly
