

## **Privacy Policy**

No Crop, is a photo editor. The Developer 'FDD tech' respects your privacy.

This Privacy Policy (the "Policy") explains our privacy practices for the Service. It describes the ways your personal information and data is collected and used through our designated mobile application. It also describes the rights and options available to you with respect to your information.

The following key points of the Privacy Policy are only brought for your convenience. They are not a substitute for the full Policy.

### Data Privacy

We don't store or share any of the content you create with this application.

### User Privacy

We do not sell, trade, or otherwise transfer to outside parties your personally identifiable information. We do not store/collect/distribute any personal information (like name, address, debit or credit card or any bank information) by this app.

That means, we do not collect any kind of information transmitted through our network.

### Children privacy

You must be 12+ years of age or older in order to use the App.

### App's Content Storage

We use Firebase to store the contents of the App. We can update the contents on a regular basis from the server storage.

### Information we automatically collect

#### Device Information

We may collect information about your mobile device, including its model, operating system type and version, unique identifiers, language, mobile network information and the Internet Protocol (IP) address through which you accessed the Service.

### Customer Support

When you request for customer support, we asks for your email address and other contact

information, so that we can get back to you with our response regarding your feedback. We also collect information regarding your support request. You may contact us with any questions or comments directly at: [suskionsea@qq.com](mailto:suskionsea@qq.com).
