

Welcome to the 2022-2023 school year! You have chosen the On-Demand Learning Path. This learning path uses the curriculum Stride. Stride is comprised of a digital component and offline/workbook component. The offline/workbook is shipped directly from Stride. You will receive an email directly from Stride to set-up your Learning Coach and Student accounts. Your Supervising Teacher doesn't have access to the online Stride username and password.
