

# Slavery in the Roman World Project

**Objective:** The student will learn about slavery in the Roman world through independent research and the production of a Prezi presentation consisting of at least 20 slides. Students will seek answers to questions such as: Where did Romans get their slaves? How were they processed? What roles did they fill in Roman society? Did slaves have any legal rights? Were Roman slaves ever manumitted? How were they viewed in relation to the Roman family? Did all Romans own slaves? What was a slave's daily life?

**Assessment:**

accuracy of facts	_____	40 points
organization	_____	20 points
student uses own words	_____	20 points
aesthetics	_____	20 points
