

PROJECT "FAIR PLAY 4 INCLUSION"

HIKING

On Sunday 30th May we carried out a new hiking activity for the project **"FAIR PLAY 4 INCLUSION"**.

In this occasion, we done a route to the bank of the river Genil, passing by the popular "Cortijo El Río", former headquarters of an oil mill where oil was made in our village (currently located within the urban core).

During 2 and a half hours of route, 7 young people enjoy an outdoor activity in contact with nature at the same time that we create healthy habits to occupy our leisure time, especially on weekends, thus avoiding unhealthy habits such as sedentary lifestyle and tobacco and alcohol consumption.
