

Game Instructions: Race for 2 minutes to write one musical term or symbol that fits in each of the designated categories. (Normally you limit responses based on words starting with a certain letter of the alphabet, but for this musical version answers can begin with any letter.) When the time is up each player reads their list, one category at a time and scores 1 point for each category where they named something that fit the category and that no one else included on their list.

1. Rhythm (Whole Rest, Eighth Note, Half Note, etc.)
2. Tempo (Adagio, Presto, Accelerando, Ritardando, etc.)
3. Articulation (Staccato, Portato, Accent, etc.)
