Terms of Service

Use of Service

You are not allowed to use UltimateRPG in a way that may be harmful, illegal, or threatening. If you are found to be mis-using our service, you may be reported to Discord, get locked out of our service or reported to the authorities depending on the severity.

Agreement

You agree to our Terms of Service and Privacy Policy while UltimateRPG is inside your discord server. In the event that you disagree with our policies, simply remove UltimateRPG from your server.

Purchase of Products

We reserve the right to reverse any purchases for any reasons. In the case that we do, you will be refunded within 1-2 weeks.

When purchasing a product we ask that you stay up to date with our ToS (Terms of Service) as not to lose access to premium content.

Abuse of our Service

We reserve the right to deny you access to our service, products, and bot for any reason. Typical cases are “cheating”, “scripting”, “auto-clicker” or “botting” which harmfully interacts with our bot, or services.

UltimateRPG's Copyright

UltimateRPG, (The “bot”, “game”, “service”) is protected by Europe's Copyright privacy laws. You are not allowed to use, sell or market our Art, Images or Services as your own, and/or without permission from us.

Privacy Policy

Collection of Data

UltimateRPG reserves the right to collect and store your discord user information and server data on a cloud based **database*** in order to operate our service

You can at any point request the deletion of this data by emailing us at support@ultimaterpg.gg.

* **UltimateRPG mainly stores user id data in our database**, and does not collect sensitive data. UltimateRPG may however keep track of message data which are stored in individual discord servers. You can contact UltimateRPG or the server Owner in order to have this data deleted. UltimateRPG will be happy to cooperate with users in order to have this data deleted within a reasonable timeframe of 3 days. Should we fail to do this, we will get in touch with discord to ensure your right to privacy is upheld.

Usage of Data

UltimateRPG ("The game") collects user information like user id and name in order to operate our service. We do not share, or use this data to advertise any products or otherwise unwanted content to you. All of the information stored about your account is strictly used within UltimateRPG.

Servers may use your data in order to moderate their server. We ("UltimateRPG") are obligated to protect your data and privacy as noted by discord's terms of service and their privacy policy. Server owners are obligated to cooperate by deleting message data in relations to **You** if requested. You can request the deletion of this data in their server, or in our support server. UltimateRPG will automatically delete the data within **3 days** and if we fail to complete this process, we ("UltimateRPG") are obligated to contact discord in order to have these messages removed.

Third Party Services

UltimateRPG uses third-party services like Top.gg to advertise its service and we have no influence, insight or control over how they operate or collect data. UltimateRPG does not share data that we have collected to them. These services may collect their own data, and operate with other terms and conditions that do not apply to us. Please read their terms of conditions and policies carefully to be informed of what the data is used for.

Right to Privacy and Deletion of Data

You have the right to have your information deleted from our service if requested. You may do so by emailing us at support@ultimaterpg.gg. We reserve the right to keep your USER ID stored on our database if you violate our terms and conditions to prevent mis-use of our service.
