AAUW-WA supports transgender and non-binary students.

Here are some resources to learn more about the importance of supporting our transgender and nonbinary students:

- [WA State LGBTQ Commission](#) advocates for LGBTQ+ equity in all aspects of state government
- WA State Education Association provides a list of state [LGBTQ+ Advocacy groups](#).
- [The Trevor Project](#) advocates for LGBTQ+ rights and provides links to articles to share understandings of gender identity and the gender spectrum, and guides for supporting transgender and non-binary young people.
- [Movement Advancement Project \(MAP\)](#) provides summaries of laws proposed and passed that are related to LGBTQ+ individuals and/or issues.
- [The Pew Research Center](#) continues to study and report transgender issues.
