Who Can Purchase Cannabis?

Only adults who meet Ontario's legal purchasing age may buy recreational cannabis from a licensed retailer. Customers must be at least 19 years old and may be asked to present valid government-issued photo identification before entering a restricted retail area or completing a transaction.

THE WOODS

Identification should clearly display the customer's photograph and date of birth. It should also be valid, current, readable, and issued by a recognized government authority.

Mississauga residents, visitors, and tourists may purchase cannabis if they meet the legal age requirement and provide acceptable identification. Every customer remains responsible for following applicable rules related to possession, transportation, secure storage, public consumption, and impaired driving.

How Does Shopping at the Dispensary Work?

Shopping at a licensed cannabis retailer follows a straightforward process intended to support legal, informed, and responsible purchases.

How It Works

1. Visit The Woods Cannabis - Mississauga (Dundas).
2. Present valid government-issued photo identification confirming that you meet Ontario's legal purchasing age.
3. Browse the available cannabis product categories, including flower, Premium Flower, pre-rolls, edibles, vape products, concentrates, CBD products, and accessories.
4. Review the package information and choose products that suit your preferences, experience level, and desired format.
5. Complete your purchase through the licensed retailer using an accepted payment method.
6. Transport, store, and use cannabis responsibly while following Ontario regulations.

First-time customers may ask the retail team general questions about product formats, package sizes, labelled cannabinoid information, and accessory compatibility. During check out, staff may verify the customer's age again before processing the transaction.

Pricing and Payment

Cannabis prices vary according to the product category, brand, package size, product format, and current promotions. Flower, edibles, vape products, concentrates, and CBD items have different production, packaging, and distribution requirements that may affect retail pricing.

THE WOODS

Factor	Impact on Pricing
Product category	Flower, edibles, vapes, concentrates, and CBD products have different price ranges
Brand	Premium and value brands vary
Package size	Larger formats generally cost more overall
Product format	Different formats have different pricing
Promotions	Store offers may affect the total cost

Accepted payment methods may include cash, debit, credit card, or other approved options, depending on the store’s current policies. Customers should contact the location or review the official store page to confirm payment methods before visiting.

Cannabis Laws and Compliance

Recreational cannabis is legal in Ontario for adults aged 19 and older, subject to federal, provincial, and municipal restrictions. Legal access does not remove laws concerning possession limits, public consumption, impaired driving, transportation, storage, or supplying

THE WOODS

cannabis to minors.

Licensed cannabis retailers must source products through Ontario's regulated cannabis distribution system. Legal products are subject to applicable requirements involving testing, packaging, warning labels, excise stamps, product information, and limits placed on certain cannabis formats.

An authorized cannabis retailer must also comply with provincial rules governing age verification, advertising, displays, sales practices, and responsible retail conduct. These requirements help create a consistent and accountable shopping environment for eligible adult customers.

Customers remain responsible for following cannabis laws after completing a purchase. Products should be stored securely, kept away from children and pets, and never consumed before driving or operating machinery.
