

Dear Families,

The MAP test is quickly approaching! We are taking the MAP test April 13-15 (ELA), and May 4-5 (Math). Since this is the first time students are taking the MAP test, I would like to have a snack for them each day of testing for your child to enjoy. If you are able to donate one or more items on the list, please put your name in the box. We have 26 students who will be taking the MAP test, so please keep that in mind when purchasing items. If you are unable to donate at this time, I completely understand! Thank you for supporting our classroom as we take this very important test!

**** Snack Due Date: on or before Thursday, April 9th.****

Thank you so much for donating to our classroom!

Items Needed	Name of Person Donating Item
