Outstanding Wildcat Player of the Week

Emmett Martin - Pee wee C2 team

“I’m a parent of AAHA peewee c2 player and I wanted to compliment your player, last name, (Emmett) Martin on your PW C2 team. He knocked into my player in the beginning (not on purpose, just standard play) and checked on him as he came up. Then much later in the game my player got injured (no idea how, just normal play again) and he didn’t get up right away. Once he got up again Martin checked on him when they were going for the face off. Super example of sportsmanship and nice to see.”

Do you have a player, coach, parent, manager or someone in the organization that has gone above and beyond and you would like to express your appreciation? If so please email secreatray@wildcathockey.org and we will publish your appreciation in our weekly newsletter.
