

Welcome to Fish Team!

Hello Everyone!

My name is Galina Salagor and I'm a teacher in [Chernivetska gymnasia 5](#), Ukraine. I'm the coordinator of this group.

TASK 1

Use [Padlet](#) on our Fish Team subpage to add some information about you and your fish, so that all the members in your team could know you a bit more.

Please, DON'T FORGET to add photos of you and your fish. If you have no fish, please, draw the fish of your dream and download it, too). This activity is VERY IMPORTANT for creating our team's LOGO.

TASK 2

Watch the video that I've created for you on our subpage or click the link [Fish Facts](#) and then play 'Fishy Facts' game. Enjoy!

TASK 3

Go to FORUMS (you find them at the top of page when you log in on TwinSpace). There is a forum entitled FISH TEAM and a thread MY FISH...

Write about your fish and, in case you haven't got one, tell the others what you think of fish.

TASK 4

Do you like fish? What do you know about it? Let's share your knowledge!
Please, find your name and fill in the table with information about fish.
Please, use your colours while filling in the table.
