

PRINCIPAL'S WEEKLY MESSAGE

November 23, 2025

Hello, this is Kathryn Hutchinson, principal at North Wake College and Career Academy. This communication can be found on our [website](#) linked under Our School.

Thank you to our PTSA and Beta Club for the AfterSchool Social this past week. The group of students that stayed after school for games and connecting had a great time. Thank you to the parents who also took the opportunity to hang out and connect as well. **We appreciate these moments of community that really matter.**

We look to this short week and hope that our community finds more opportunities to connect and enjoy some community time. **We have school on Monday and Tuesday** and will have no school for the remainder of the week. **The building will be closed Wednesday through Friday.**

As we approach this Thanksgiving Holiday, I want to take a moment to share how much **we are grateful for our school community.** Our students that you share with us are amazing, and we enjoy watching them grow and develop. I am **grateful to our staff** who are committed to giving so much time and attention to the success of our students. Their positive intent to support students is unwavering and I am grateful for their commitment.

Thank you to our family community for your support in sending your students to our Early College and supporting our students to their success. We know the work it takes to get them to school each day and ensure they are prepared to learn. I hope you all have a wonderful Thanksgiving break and **we look forward to seeing everyone on our return on Monday, December 1st.**

We have a very busy three week stretch between Thanksgiving break and Winter break so we hope that our students and families find some moments to rest and connect before this busy season begins for our students.

Thank you for your support of North Wake College and Career Academy where our Griffins shape their futures. And have a great week!

Most student lockers will be on the 1400 hallway, where students enter and exit the building. Students in the Culinary Arts Program of Study will have priority for lockers on the 1300 hallway near the Culinary Classroom/Kitchen. Students can begin requesting lockers immediately. Please contact Mrs. Lacy-Garner for questions (clacy-garner@wcpss.net).

Parking Permits

Students who would like to park on campus should complete the [Student Parking Application](#). The application is available on our school website. Students must have a valid driver's license to apply for on-campus parking. If your student has not completed this form by the first day of school, they may do so these first weeks of school.

The parking pass application form will need to either be signed in the presence of school personnel or notarized by a certified notary.

Off Campus Lunch Pass

Juniors and seniors are eligible to apply for an [off-campus lunch pass](#). The application is available on the NWCCA website. Upon approval, students will receive an Off-Campus ID.
